RHONDA CRAIG

Page 12 Page 10 from 1980 to the present. In your search for 1 A I can. It's a long list. 1 these documents, were you able to identify any Okay. What you can recall, please. 2 2 3 documents back to 1980? A Jerry Perrin, Ellen Akin, Sandra McClain, 3 Sara Byers, several temps within our division, 4 A We do have documents, but I can't 4 Madison Johnson, Marilyn Miller, Thomas Zigler, 5 identify the specific documents to you. 5 Q Okay. Were you able to identify permits 6 Kyra Bennett. Those are within the central 6 related to sand, gravel or other mining operations 7 7 records group. in the Illinois River Watershed? 8 8 O Okay. A Yes 9 A And then within the other divisions. 9 10 O Have those been provided? 10 would you like those names? O Yes. Please provide those names as well. 11 Α 11 Q From 1980 forward, present. A Mark Derichsweiler, Bob Bednar, David 12 12 Pruitt, David Dyke, Barbara Rausch, Gary, the 13 A Yes. 13 Q And were you able to identify any orders 14 director of ECLS. I forgot his last name. I'm 14 15 or notices of violations? Let me start with orders. sorry. Don Hensch. I'm sorry. I'm racking my 15 Were you able to identify any orders from any brain to think. Greg Garber. That's all I can 16 16 sand, gravel or other mining operations in the 17 think of for now, but there may be more that I'm 17 Illinois River Watershed? 18 iust not recalling. 18 A We did not identify them specific to that. Q If you recall the name of any individual 19 19 We pulled all NOV's from that date forward. 20 20 while we're having this deposition, if you would O From 1980 forward? just provide that to me, and just say I remembered 21 21 22 Yes. a name from the list earlier --A 22 Q For sand, gravel or other mining 23 23 A Okay. operations? 24 -- and here that name is? 24 0 A Anything -- yes. It would include that in 25 25 Okay. Α Page 13 Page 11 1 those records. O And especially if you remember the 1 2 O Okay. So you pulled all notices of director of ECLS, Gary's last name at some point, 2 3 violations that the ODEQ would have for any point that will be helpful as well. 3 or non point source in the Illinois River 4 A I'm sorry. 4 Watershed--5 O That's all right. Can you tell me the 5 A Yes 6 various divisions that you coordinated with under 6 7 -- from 1980 forward? ODEO to gather information responsive to these Q. 7 8 A That's correct. 8 requests? Q Okay. And you may have to remind me of 9 9 A Sure. Air quality, land protection, 10 that as we go through here whenever we come 10 environmental complaints and local services, across notices of violation. administrative services, and legal division, water 11 11 quality, and customer services division. A Okay. 12 12 Q And all those are located upstairs? O All right. Let's go ahead and get started 13 13 14 Yes. looking at Exhibit 2, the specifics of the requests Α 14 O Are they -- are they specifically -- I that were propounded to the Oklahoma Department 15 15 noticed that when we went upstairs earlier there 16 of Environmental Quality. I've got page 6 of 16 17 were boxes for each division. Are there notices of Exhibit 2 being where we start. Look at Request 17 18 violation that are located in each division or are Number 1, it specifically asks that the Oklahoma 18 19 they centrally located in a particular box? 19 Department of Environmental Quality produce all A NOV's will be located in the legal boxes. 20 documents and data related to permits, orders, 20 notices of violations, complaints, investigations 21 Q Okay. 21 22 A And possibly also in the water quality issued, undertaken or contemplated by the ODEQ, 22 23 boxes within the facility. 23 whether or not completed and any other 24 Q Okay. Would the same be true for any 24 documentation related to any sand, gravel or other 25 complaints? 25 mining operations in the Illinois River Watershed

RHONDA CRAIG

November 27, 2006

Page 20 Page 18 A I don't know. A Yes. 1 O You don't know. Okay. Let me hand you 2 Q Are they also maintained electronically on 2 what I'm going to mark as Exhibit 4 to your 3 any kind of database here at the ODEQ? 3 deposition. I'm also going to go ahead and hand 4 A I don't know. 4 5 you in coordination with that what I'm going to Q Who would know the answer to that 5 mark as Exhibit 5. We can just talk about them at 6 6 auestion? the same time. If you wouldn't mind handing that A I don't know. 7 7 to Bob, his copy. Okay. The two documents that 8 Q Okay. So within those files that are 8 9 I've, the documents that I've handed to you, the these water quality division files that contain 9 10 first document I handed to you I believe at the top these monthly operational reports, are you 10 it says Oklahoma Department of Environmental familiar with what other types of documentation is 11 11 Quality turbidity trigger evaluation form, systems 12 maintained in those files? 12 with a population greater than, with a greater 13 A I believe it's only the MOR's. 13 than sign, 10,000, and then the second document Q Okay I guess I'm just -- because I'm not 14 14 which is identified as Exhibit 5 to your deposition that familiar with what's upstairs, my questions 15 15 is Oklahoma -- titled Oklahoma Department of may seem a little searching and they are. 16 16 17 Environmental Quality turbidity trigger A Sure. 17 evaluations form, systems with a population less 18 O And one of the questions I have is this 18 19 than -- or less than or equal to 10,000, is that request specifically asks for all documents and 19 20 correct? data that might be related to this particular form, 20 (Exhibits-4-and-5 marked for obviously not limiting it to just this form. I 21 21 thought I understood you to say that there are 22 identification) 22 23 other documents and data that are related to this A That's correct. 23 And have you seen these forms before? form that have been -- that are identified upstairs 24 24 A I have seen these forms within the water 25 as well. 25 Page 21 Page 19 quality files. A I guess my understanding of "related" ţ 1 Q And are these -- have the forms for any means specific to a facility. 2 2 public water supply system either small or large, Q Okay And you're saying anything related 3 3 have these forms been provided and the documents to a specific facility has been provided? 4 4 that have been identified as responsive upstairs? 5 5 A Yes. 6 A Yes. O Okay. Do you know if there's any -- in 6 7 Q And once again from 1980 to the present, the water quality division, if there's any other 7 would the qualification of the 1994 -- some of 8 internal forms that are created as a result of the 8 9 these documents were held in 1990 -- prior to point source turning over this monthly operational 9 10 1994 by the Health Department, is that correct? 10 report? A Yes. 11 A I don't know. 11 Okay. Let's move on to Request Number That still applies to these forms as well? 12 12 3. It says, "Produce all documents and data 13 A I don't know. This appears to be a DEQ 13 form that perhaps the Health Department didn't related to the turbidity trigger forms from 1980 to 14 14 the present for any public water supply system in 15 have. I don't know. 15 16 Okay. Have you seen any other variations the Illinois River Watershed from 1980 to the 16 present." Have you provided all documents that of these two forms that are identified in Exhibit 4 17 17 18 or 5? you believe to be responsive to this request 18 19 A I have not 19 upstairs in the boxes? Q Okay. And just for clarity's sake, once 20 20 A Yes. again we asked for all documents and data related Okay. And the difference between -- and 21 21 to, and you've indicated that for any public water maybe you don't know the answer to this, and if 22 22 you don't, please tell me, the difference between a 23 supply system you have provided the water quality 23 division files associated with that public water large system and a small system under ODEQ as to 24 24 25 supply, is that correct? the size of the population? 25

November 27, 2006

RHONDA CRAIG

Page 24 Page 22 of any other form that's been used as a monthly 1 That's correct 1 Α operational report with regards to the small 2 So any other documents related to the 2 surface water systems? 3 turbidity trigger forms, would they be included in 3 A I'm not aware of any. 4 those files as well? 4 Q Are there similar files that are -- for the 5 5 A To my knowledge, yes. small surface water systems that are maintained 6 O Okay. I'm going to go back for just a 6 second. You identified quite a few names of some 7 -- as they are maintained for the large system 7 8 individuals who assisted you in gathering these water --8 9 A Yes. documents from the various divisions. Can you 9 Q And have those been provided upstairs? 10 tell me the individuals from the water quality 10 11 A division that assisted you in gathering the 11 Has anything been excluded from those responsive documents to our requests? 12 12 13 files? A That was David Pruitt, Mark 13 A No. 4 Derichsweiler, Bob Bednar. 14 O And, again, have you produced all those Q All right. Did you have -- when you were 15 15 that ODEO has from 1980 to the present? communicating with these individuals, were you --16 16 A Yes. I need to clarify that we have had you -- how did you direct them as to what you 17 17 produced what we have, but I cannot verify that it wanted them to help you locate so that you could 18 18 19 goes back to 1980. produce for this particular document inspection? 19 Q Right Because of the limitation with 20 A I held meetings with them to discuss the 20 regards to the Health Development? 21 21 requests. A Right. So we've produced everything in 22 Q Okay. And in those meetings, did you 22 23 our custody. give them specific instructions as to the specific 23 Q Okay. And when you say that, have you 24 24 documents you wanted them to pull that were searched through archived files? 25 responsive to the requests -- that you believe were 25 Page 25 Page 23 A Yes. responsive to the requests? 1 I Q Is there a physical archive for ODEQ A We discussed what was requested and we 2 2 located somewhere? 3 -- and they had copies of this, so I wouldn't say I 3 4 A Per division. 4 directed them. Q Okay. 5 O Okay. And where is the water quality 5 6 division archived files located? A I requested, you know, assistance in 6 7 A Several locations within the building. gathering these documents. 7 Within this building? 8 Q O Okay. Were there any documents that 8 9 Yes. Α were specifically excluded from the collection of 9 O And what about the environmental 10 data from the water quality division regarding the 10 complaints -- let me get that division. Yeah, 11 11 Illinois River Watershed? ECLS. Are their archives located here in this 12 A No. 12 building as well? Q Let's move on to Request Number 4. It 13 13 14 A Yes says, "Produce all documents and data related to 14 O Are there any other locations where the monthly operation reports for any small 15 15 surface water systems." There's a -- I'm going to 16 archived files would be located? 16 A For ECLS? mark this as Exhibit 6 to your deposition. I 17 17 believe I'm at 6. Are you familiar with this form? 18 O Yes. 18 19 No. (Exhibit-6 marked for identification) Α 19 Q Are there any maintained at these ODEQ 20 20 A Yes. branch divisions, any archived files regarding O Okay. And in the lower right-hand corner 21 21 environmental complaints or ECLS? 22 22 it states DEQ Form Number 630-577 Small, A Yes I guess you could call it that. When 23 23 correct? I say that, they have records that are older, but I 24 24 A Correct. don't believe they -- they say that they're archived Q Are you -- have you ever -- are you aware 25 25

November 27, 2006

STATE OF OKLAHOMA v. TYSON FOODS

RHONDA CRAIG

	Page 26		Page 28
1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25	or current. They're just all the records are there.  Q Okay. So have you obtained any of the records that are located at this Jay, Tahlequah, or Roland branch and brought them here?  A No.  Q With regards to the requests that we've already gone through, the monthly operational forms for the large and small surface water systems, would there be any of those forms located in Jay, Tahlequah, or Roland?  A Not to my knowledge.  Q Okay. And what about the turbidity trigger forms for either the small or well, I'll say greater than or less than or equal to 10,000 population water supply systems? Are there any of those located at Jay, Tahlequah, or Roland?  A Not to my knowledge.  Q All right. Then let's look at Request Number 5, if you would with me, please. This request is seeking all documents and data related to the monthly operational report ground water systems and specifically identifies Form 630-577B for any systems located in the Illinois River Watershed from 1980 to the present. Have you	1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25	systems besides the one I have in front of you as Exhibit 7?  A No.  Q And although it does say in the lower left-hand corner it's revised in 3/01, has the form generally been the same to your knowledge?  A To my knowledge.  Q Okay. And in your review and bringing these documents or preparing these documents for this production, were you able to specifically identify any other forms that were used for the purpose of a monthly operational report for ground water systems?  A No.  Q Are there files maintained similarly to those maintained for the surface water systems for the ground water systems in the water quality division?  A Yes.  Q And have those entire files been provided for any system located in the Illinois River Watershed?  A Yes.  Q Okay. Are there any documents or data specifically related to the monthly operational
1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25	provided all documents that are responsive to this request, all monthly operational report ground water systems forms  A Yes.  Q for the Illinois River Watershed?  A Yes  Q Does the same caveat apply with regards to these ground water systems and the Health Department and the problems with the records from the Health Department from 1994 back to 1980?  A Yes.  Q I'm going to mark this as Exhibit 7 to your deposition. Exhibit 7 is entitled Department of Environmental Quality Monthly Operational Report Ground Water Systems, is that correct?  (Exhibit-7 marked for identification)  A Yes.  Q And at the very bottom on the left-hand corner it says DEQ Form Number 631-577B. Do you see that?  A Yes.  Q Okay. Are you aware of any other forms that are utilized for ground water system other monthly operational report forms for ground water	1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25	ground water systems that were not for any system located in the Illinois River Watershed that were not produced?  A No.  Q Let's look at Request Number 6. Request Number 6 specifically asks for all documents and data related to monthly operational report purchase water systems chlorination facilities, that's a mouthful, Form 630-577C for any systems located in the Illinois River Watershed from 1980 to the present, is that correct?  A Yes.  Q I'm going to hand you what I'm marking as Exhibit 8 to your deposition. Have you produced for our review all monthly operational report purchase water systems chlorination facilities data and documentation related to that for any system in the Illinois River Watershed from 1980 to the present?  (Exhibit-8 marked for identification)  A Yes.  Q Okay. Are there any caveats with regards to the date of how far back you went and were able to obtain the information related to this specific form?

,		,	but I appreciate the candor. Thank you.
		2	MS. HILL: So anything that has been
2	Q Okay. The restriction of the fact that the	3	excluded or withdrawn will show up on a privilege
3	Department of Health this was under the	4	or confidentiality log, is that correct?
4	Department of Health prior to 1994?		MR.HAMMONS: Yes
5	A That's correct.	5	
6	Q And that you're not confident that you	6	MS. HILL: Okay.
7	can't say with certainty that all the documents	7	MS. LONGWELL: They're going to provide
8	were provided to ODEQ in 1994 when they took	8	to us when you provide us the documents, is
9	over the responsibility for this?	9	there any way that we can possibly get that now?
10	A That's correct.	10	MR.HAMMONS: Yeah
11	Q Okay Looking at what I've marked as	11	MS. LONGWELL: I mean, just so my
12	Exhibit 8 to your deposition, the title of this	12	co-counsel may get bored with what I'm asking
13	document is Department of Environmental Quality	13	and may want to review, begin reviewing the
14	Monthly Operational Report Purchase Water	14	privilege log. Does anyone object to that?
15	Systems Chlorination Facilities, is that correct?	15	MS. HILL: No, that's great. Do you want
16	A Yes	16	to take a short break with that?
17	Q Would this be the document, the form,	17	MS. LONGWELL: Yeah. Why don't we
18	that would be responsive to Request Number 6?	18	take a short break and let you grab that?
19	A Yes.	19	(Short break at 11:08 a.m., resumed at
20	Q Okay. And are you aware of any other	20	11:17 a.m.)
21	previous forms that were used as a monthly	21	Q (BY MS. LONGWELL) Before our little
22	operational report for purchase water systems	22	break we were talking about these forms that I
t		23	think we were on Request Number 6, I believe
23	systems chlorination facilities?	23	
24	A No.	25	I'm going to backtrack real quick, if I may, and I
25	Q Were there any was there any	23	might be able to short circuit that, but do you

Page 36 Page 34 Q And Request Number 5, monthly A Boxes 1 through 21, file 3, and sometimes I 1 operational report ground water systems, where 2 file 4. And I'm sorry. That's water quality 2 3 would those be located upstairs? division. 3 A Water quality division boxes 1 through 4 O Okay And I guess the question I have 4 5 21, file 4. since I'm just -- and I'm sorry, but since I'm not 5 Q And then the last document we looked at, 6 that familiar with the boxes yet, are these forms 6 which I believe we left on Exhibit 8, was this 7 7 contained -- assuming -- okay. Let's say monthly operational report purchase water 8 8 Tahlequah is a public water supply system in the systems chlorination facilities. Where would Illinois River Watershed. Is there going to be a 9 9 10 those be located? file marked Tahlequah water supply or city of 10 A Water quality division boxes 1 through 11 Tahlequah water supply that's going to contain 11 21, file 4. 12 these monthly operational reports, these turbidity 12 Q Are you aware of any other division of the 13 trigger reports or are they maintained separately? 13 Oklahoma -- I mean, of the Oklahoma Department 14 A There will be a facility -- a facility file 14 of Environmental Quality that would have 15 which will include this file 3 and file 4. 15 information related to these monthly operational Q Okay. Let's talk for a moment because 16 16 report purchase water system chlorination 17 this may help me understand a little bit clearer, 17 facilities forms for water systems in the Illinois and I can ask much more specific questions with 18 18 River Watershed besides the water quality regards to these requests. What else would be 19 19 contained within the water quality division's 20 division? 20 21 A No. I remember the name of the director. facility file besides the monthly operational 21 22 Oh, you do. Could you tell me what that reports and the turbidity trigger forms? 22 name -- his name? 23 A It will include the permit file, 23 Gary Collins. 24 correspondence, other reports. 24 Collins. Thank you very much. 25 25 Q Okay. Page 37 Page 35 A You're welcome. Anything pertaining to that facility. 1 O I'm going to hand you four exhibits that 2 O Okay. So now when I go through some of 2 I'm going to identify as Exhibits 9 through 12. 3 3 these other additional requests, I may ask you if Looking at -- going back to the request, Request 4 that's contained within the water quality 4 Number 7 asks for all documents and data related 5 division's facility file, and we'll both know what 5 to public water supply disinfection byproducts 6 we're talking about. We're talking about those 6 7 including but not limited to site forms including files that you just described to me. 7 8 all chlorite sample forms, total THM sample forms 8 A Sure. 9 for both surface and ground water, and TOC Q And you've produced those in the -- as 9 10 sample site forms for any system located in the they're maintained in the regular course of 10 Illinois River Watershed from 1980 to the present. business with the exception that they're sitting up 11 11 Did I read that correctly? 12 there in boxes as opposed to sitting in the file 12 (Exhibits-9-through-12 marked for drawers, is that correct? 13 13 identification) 14 14 A Yes. 15 A Yes 15 O Okay. You haven't specifically 16 O Okay. It was a mouthful so I wondered, reorganized them for the purpose of this discovery 16 17 but with regards to these, I've handed you what review? 17 18 I've marked as Exhibits 9 through 12 and the 18 A No. 19 first, Exhibit 9, the title of the document says Q Looking at Request Number 4, would 19 Chlorite Sample Site Form. Do you see that? 20 those also be located in the water quality division 20 A Yes. 21 21 boxes 1 through 21? Q Are you familiar with -- have you -- are 22 A Yes. 22 you familiar with this form? I mean, have you 23 Q Okay. And what file numbers would those 23 24 seen this form before in ODEQ's records? be maintained in? 24 25 A No. 25 A File 4.

RHONDA CRAIG

	Page 38		Page 40
1	Q No. Okay. So can you tell me whether or	1	A Not at this time.
2	not this form is an actual ODEQ form?	2	Q But if it exists within ODEQ's records, it
3	A I cannot	3	would be maintained in the facility file?
	Q I mean, I'll represent to you I pulled	4	A Yes
4 5	these off the website, but I don't see the nice	5	Q Okay Looking at Exhibit 12, the title of
	little thing at the bettern that cave ODEO form so	6	that document is TTHM, forward slash, HAA5
6	little thing at the bottom that says ODEQ form, so	7	Sample Site Form. Have you seen this file before
7	I was trying to verify that this is, for the purpose	8	this form before? Excuse me.
8	of authentication, that this is a Chlorite Sample		
9	Site Form used by the ODEQ, and you're telling me	9	A No.
10	that you just can't tell me?	10	Q Okay. And if it is an ODEQ form, would
11	A Not at this time.	11	it be also located in the facility file?
12	Q Okay. Exhibit Number 10, the title of	12	A Yes
13	this document is Total Organic Carbon Sample	13	Q Okay.
14	Site Form. Do you see that at the top?	14	MR. BOND: Which file in the facility
15	A Yes.	15	file?
16	Q And at the bottom on the left-hand side,	16	Q (BY MS. LONGWELL) Are the facility files
17	it says, "Return form to Dawn Grandits," I think	17	located at the water quality division files I
18	maybe. I may slaughter her last name, but water	18	through 21? Okay. Let me ask this question.
19	quality division. Do you know have you seen	19	Strike that and let's go. Where are the facility
20	this particular form before?	20	files located in the boxes provided upstairs?
21	A Yes.	21	A The facility files are included in boxes 1
1	Q Okay. And is this an ODEQ form?	22	through 72. They are broken down by program.
22		23	Q Okay.
23	A Yes.	24	A From public water supply to industrial
24	Q And did you provide all of these did	25	municipal sludge. So this particular request you
25	you provide forms all of these forms Total	23	municipal studge. So this particular request you

STATE OF OKLAHOMA v. TYSON FOODS

RHONDA CRAIG

November 27, 2006

Page 44 Page 42 O Are these -- is there a specific -- are all 1 1 Watershed? these documents identified in Request Number 8, 2 A I'm not aware of any. 2 are they located in a facility file as well? 3 And are you aware of any other forms that 3 A If we have these documents, they are 4 have been utilized for chlorite samples for surface 4 within the water quality division boxes 26 through 5 and ground water systems located in the Illinois 5 6 31, and box 43. River Watershed from 1980 to the present? 6 Q Just give me one second. Under Request 7 7 A No. Number 8, I'm going to hand you what's been 8 O When you discussed with the water 8 marked as Exhibit 13 to your deposition. Number 9 quality division gathering the documents 9 10 -- I mean, Request Number 8, Letter A, requests responsive to this request, did you discuss these 10 that all documents and data related to sludge 11 specific forms that are requested in Request 11 management for any facility located in the Illinois 12 12 Number 7? River Watershed from 1980 to the present, all A I did not -- I discussed this request with 13 13 Form 1, general information, application for 14 the custodian of the water quality records. 14 permit to discharge, and/or treat industrial 15 Q And who is that? 15 wastewater or sludge, that those be provided. Do Jerry Perrin. 16 16 Α you see that? O Jerry Perrin. Is he the individual you 17 17 (Exhibit-13 marked for identification) spoke with with regards to Request Number --18 18 19 Α Yes Requests Number 1 - I'm sorry. Let me say that 19 Q And what I've provided you is a document 20 differently, 2, 3, 4, 5, 6, and 7? 20 which is titled Application for Permit to Discharge 21 A Yes. 21 and/or Treat or Dispose of Industrial Wastewater 22 O Okay. Is it your understanding that he 22 or Sludge, Form 1, General Information. Do you has provided all documents responsive to this 23 23 24 see that? request with the exception of the time limitation 24 25 A Yes. 25 you've given me for each of those requests? Page 45 Page 43 O Have all Form I's for any facility located 1 Yes. 1 in the Illinois River Watershed from 1980 to the 2 2 O Let's move on to Request Number 8 which 3 present been provided? 3 states produce all documents and data related to A Yes. 4 sludge management for any facility located in the 4 5 O Has any facility been excluded? Illinois River Watershed from 1980 to the present 5 including but not limited to the following, and 6 A No. 6 Is there any time limitation with regards 7 we'll just go through those one by one. What 7 8 to Form 1 for any particular -- that have -- that individual did you speak with -- let's see. What 8 might -- is that the time limitation we've 9 division did you speak with to obtain records 9 discussed with regards to the previous requests 10 responsive to Request Number 8? 10 for production of documents? Does that apply to 11 A Water quality division 11 Form A -- Form 1 in Request Number 8? Q Okay. And what individual there in the 12 12 A Yes. We have provided the documents as 13 water quality division assisted you in gathering 13 far back as we have them. If it goes -- if we have 14 documents that were responsive to Request 14 15 them to 1980, we have provided them. 15 Number 8? Q Okay. And I think your counsel has A Jerry Perrin. 16 16 actually led on to something that I was going to O So just -- I'll go back to the specifics in 17 17 ask you about. Has there been any other 18 just a second. Looking generally at the forms 18 19 application that covers this that may be in a filing requested, there's five forms that have been 19 - let me rephrase that. That's a really poor 20 identified, and then there's also a correspondence, 20 question. Form 1, at the top of Form 1, it says, communication, file notes, memoranda, studies 21 21 "Revised June 2002." Are you aware of other 22 and reports that have also been requested with 22 forms that have been utilized as an application for 23 regards to the sludge management for any facility 23 24 permit to discharge and/or treated or dispose of in the Illinois River Watershed Do you see that? 24 25 industrial wastewater or sludge? 25 A Yes.

RHONDA CRAIG

November 27, 2006

Page 46 Page 48 A Yes A I'm not aware of them, but I don't know if 1 Okay. And have all Form 2D's or any 2 2 they exist or not. other form previously used for application for 3 Q If they do exist, would they have been 3 permit to discharge industrial wastewater for any provided upstairs? 4 4 5 facility located in the Illinois River Watershed A Yes. 5 from 1980 to the present to the extent that they O In the facility files? 6 6 exist been provided to us for review? 7 7 Α Yes. 8 A Yes Okay. In the water quality division? 8 Q 9 O Okay. And when I say to the extent they 9 10 exist, we're only talking about time limitation. Q Okay. I'm going to hand you what I'm 10 We're not necessarily talking about being excluded marking as Exhibit 14 to your deposition. This 11 11 for any other purpose than the fact that it just 12 document is entitled Application for Permit to 12 merely doesn't exist? 13 Discharge Industrial Wastewater, Form 2C, 13 A That's correct. 14 Wastewater Discharge Information, Existing 14 Q Is there any other reason besides the fact 15 Manufacturing, Commercial and Mining 15 that it may not have come over from the Operations Did I read that correctly? 16 16 Department of Health if not to exist in the files (Exhibit-14 marked for identification) 17 17 A Yes. 18 upstairs? 18 19 A No. O Okay. And in this document, it indicates 19 20 Q I'm going to hand you what I'm marking it was revised in September of 2005. To your 20 as Exhibit 16 to your deposition. This document 21 knowledge, have all applications for permit to 21 is entitled Application for Permit to Land Apply discharge industrial wastewater, whether it's 22 22 Industrial Wastewater and/or Sludge, Form 2L, 23 specifically this 2C or any other form previously 23 Land Application of Industrial Wastewater and/or 24 used by the ODEQ, have those been provided for 24 25 Sludge. Do you see that? any facility located in the Illinois River Watershed 25 Page 49 (Exhibit-16 marked for identification) 1 from 1980 to the present to the extent they exist? A Yes. 2 2 A Yes. Q Okay. And is this the same form that's 3 That's a really long question. And as 3 Q been identified in Request Number 8, Letter D? you've indicated, these would also be identified in 4 4 A Yes. -- or located in water quality division boxes 26 5 5 through 31, and box 43? 6 Q Okay. And have all applications for 6 permit to land apply industrial wastewater and/or 7 A Yes. 7 8 sludge whether identified as 2L, Form 2L, or 8 O Has any Form 2C or any other form previous forms utilized for that purpose been utilized for the application for permit to discharge 9 9 10 provided upstairs? industrial wastewater been excluded for any 10 A Yes. facility in the Illinois River Watershed to your 11 11 O And other than the time exclusion we 12 12 knowledge? A No. previously discussed, is there any other reason 13 13 14 why an application for permit to land apply O Let me hand you what I'm marking as 14 industrial wastewater and/or sludge for any Exhibit 15 to your deposition. This document is 15 15 facility in the Illinois River Watershed from the entitled Application for Permit to Discharge 16 16 Industrial Wastewater, Form 2D, Wastewater 17 1980 to the present has not been produced? 17 Discharge Information, New Manufacturing, 18 18 Q I'm going to hand you what I'm marking Commercial and Mining Operations Did I read 19 19 as Exhibit 17 to your deposition. This document 20 that correctly? 20 is entitled Application for Permit to Discharge 21 21 (Exhibit-15 marked for identification) and/or Treat Industrial Wastewater or Sludge, 22 22 A Yes. 23 Form 616-2SI, Surface Impoundments and Septic Q And this is the document -- is this the 23 24 Tanks. Did I read that correctly? same form -- is this form responsive to Request 24 25 (Exhibit-17 marked for identification) 25 Number 8, Letter Number C?

Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would
3 4 5 6 7 8 9	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other	2 3 4 5 6 7 8 9	construction permitting. I believe that's correct.  Q Okay. Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting
3 4 5 6 7 8 9 10	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms?	2 3 4 5 6 7 8 9 10	construction permitting. I believe that's correct.  Q Okay. Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with
3 4 5 6 7 8 9 10 11 12	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No.	2 3 4 5 6 7 8 9 10 11	construction permitting. I believe that's correct.  Q Okay. Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean,
3 4 5 6 7 8 9 10 11 12 13	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any	2 3 4 5 6 7 8 9 10 11 12	construction permitting. I believe that's correct.  Q Okay. Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?
3 4 5 6 7 8 9 10 11 12 13 14	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force	2 3 4 5 6 7 8 9 10 11 12 13 14	construction permitting. I believe that's correct.  Q Okay. Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.
3 4 5 6 7 8 9 10 11 12 13 14 15	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or	2 3 4 5 6 7 8 9 10 11 12 13 14 15	construction permitting. I believe that's correct.  Q Okay. Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction
3 4 5 6 7 8 9 10 11 12 13 14 15 16	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or any previous ODEQ forms, been provided for any	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	construction permitting. I believe that's correct.  Q Okay. Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction permitting in the Illinois River, where would those
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or any previous ODEQ forms, been provided for any municipality, county, facility, entity or individual	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	construction permitting. I believe that's correct.  Q Okay Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction permitting in the Illinois River, where would those be located?
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or any previous ODEQ forms, been provided for any municipality, county, facility, entity or individual within the Illinois River Watershed from 1980 to	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	construction permitting. I believe that's correct.  Q Okay Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction permitting in the Illinois River, where would those be located?  A In file 4.
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or any previous ODEQ forms, been provided for any municipality, county, facility, entity or individual within the Illinois River Watershed from 1980 to the present been provided?	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19	construction permitting. I believe that's correct.  Q Okay Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction permitting in the Illinois River, where would those be located?  A In file 4.  Q All right. Would any other division have
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or any previous ODEQ forms, been provided for any municipality, county, facility, entity or individual within the Illinois River Watershed from 1980 to the present been provided? A Yes.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	construction permitting. I believe that's correct.  Q Okay Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction permitting in the Illinois River, where would those be located?  A In file 4.  Q All right. Would any other division have file notes regarding construction permitting for
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or any previous ODEQ forms, been provided for any municipality, county, facility, entity or individual within the Illinois River Watershed from 1980 to the present been provided? A Yes. Q To your knowledge has anything been	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	construction permitting. I believe that's correct.  Q Okay Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction permitting in the Illinois River, where would those be located?  A In file 4.  Q All right. Would any other division have file notes regarding construction permitting for any facility, municipality, county, or other entity
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or any previous ODEQ forms, been provided for any municipality, county, facility, entity or individual within the Illinois River Watershed from 1980 to the present been provided? A Yes. Q To your knowledge has anything been excluded?	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	construction permitting. I believe that's correct.  Q Okay Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction permitting in the Illinois River, where would those be located?  A In file 4  Q All right. Would any other division have file notes regarding construction permitting for any facility, municipality, county, or other entity or individual in the Illinois River Watershed?
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	A Yes. Q Okay. Is this are these forms, this engineering report form, are any of these forms maintained at the local offices you identified, Jay, Tahlequah, or Roland? A Not to my knowledge. Q Okay. So all of these forms would be located here at the main office for ODEQ? A Yes. Q Okay. Are you familiar with any other engineering report forms? A No. Q Have all engineering report forms for any sanitary sewer extension, lift stations, or force mains, whether using this form, ODEQ form, or any previous ODEQ forms, been provided for any municipality, county, facility, entity or individual within the Illinois River Watershed from 1980 to the present been provided? A Yes. Q To your knowledge has anything been excluded? A No.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	construction permitting. I believe that's correct.  Q Okay Is there any other division that would have information relating to construction permitting?  A No.  Q For communications, would those also be located in file four?  A Yes.  Q Would they be located would communications regarding construction permitting and the Illinois River Watershed be located with any other division under Oklahoma I mean, under the ODEQ?  A No.  Q File notes regarding construction permitting in the Illinois River, where would those be located?  A In file 4.  Q All right. Would any other division have file notes regarding construction permitting for any facility, municipality, county, or other entity or individual in the Illinois River Watershed?  A No.
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	A Yes. Q Okay. Page 68 Page 66 1 starting with A, where upstairs any Forms Watershed, where would those be located? 1 605-002A's would be located? 2 2 A In file 4. A Yes. Those will be in the ECLS division 3 O Is there any other -- to your knowledge, 3 is there any other division that would have 4 boxes, box 9. 4 5 O Okay. And then Form -- I mean, in Letter information regarding studies and reports for 5 6 Number B. Form 605-002B? 6 construction permitting for any facility, 7 A The same box. municipality, county, or other entity or individual 7 Q Letter C, Form 605-006? in the Illinois River Watershed? 8 8 9 A No. 9 A Same box Q Letter D, Form 640-572? 10 10 O Has any correspondence, communication, A Same box. file notes, memoranda, studies or reports, been 11 11 Q Okay. Letter E, discharge monitoring excluded from production? Let me ask that 12 12 13 question -- strike that Has any correspondence, reports? 13 A Same Same box. communication, file notes, memoranda, studies 14 14 O NPDES reporting requirements? and reports for construction permitting for any 15 15 16 A Same box 16 facility, municipality, county, or other entity or Q Letter G, EPA Region 6 discharge 17 individual within the Illinois River Watershed 17 monitoring report forms? 18 been excluded from production to the defendants 18 19 today? 19 A I don't believe we had any of these, but if 20 we have them, they will be in that box. 20 A No. 21 O Okay. Letter H, violation or action O Let's take a break. Any more questions? 21 instituted by ODEQ for any violation related to the MR. BOND: You referred to the water 22 22 aforementioned storm water, industrial, or 23 quality division boxes. Can you just give us the 23 construction forms and permits? 24 24 box numbers? A Those will be in our legal files. 25 THE WITNESS: Can I give you the box 25 Page 69 Page 67 O Is there any other files that they would 1 numbers? 1 be located -- that information might be located in? 2 MR. BOND: Yeah. 2 A They might be in the ECLS box 9. THE WITNESS: For which --3 3 O Okay. And the first one, it says any 4 4 MR BOND: Following up on her notice of violations. Did you previously say that 5 5 questions to Request Number 9, Subsection G. there might be notice of violations for storm water 6 THE WITNESS: Okay. For A, on 9A, it 6 7 discharges that would be located in the water 7 would be within water quality division boxes 1 8 quality division boxes? 8 through 43, file 1. 9 A Yes, that's correct. That is correct. 9 MR BOND: Got it. 10 Q Do you know which boxes those might be THE WITNESS: B through G would be 10 located in in the water quality division boxes? water quality boxes 1 through 21, file 4. 11 11 MS. LONGWELL: Let's take a break for 12 A I do not. 12 13 O Okay. On the list that your -- that the 13 lunch. 14 (Short break at 12:07 p.m., resumed at 4 state's counsel gave to us, there was a file plan 15 for the industrial municipal facilities, and on page 15 1:12 p.m.) 16 2, it says cheat sheet for PWS files. 16 Q (BY MS. LONGWELL) Okay. We left off A Uh-huh. at -- we had finished Request Number 9, and so 17 17 we'll move on to Request Number 10. In Request 18 Q And it says file 2 enforcement, and then 18 Number 10 we request that all documents and data 19 clip 3 says all enforcement orders. Is that 19 related to storm water discharge for any facility, 20 specifically where -- in a specific file where those 20 notice of violations would be located? municipality, county, or other entity or individual 21 21 in the Illinois River Watershed from 1980 to the 22 22 23 Q Okay. And that would include storm present be produced, and including but not 23 limited to a list of specific forms, and then of 24 water discharge violations? 24 course a couple of general areas. Can you tell me 25 A Yes 25

RHONDA CRAIG

	Page 70		Page 72
1	Q And does that help your recollection of	1	Q And what were those counties? Do you
2	where in the water quality division these file 2's	2	recall?
3	would be located?	3	A Adair, Cherokee, Sequoyah, and
4	A Specifically in the PWS files, but I don't	4	Delaware.
5	have that right now.	5	Q Okay. And so once they did that, then
6	Q Okay.	6	they pulled by divisions they pulled and when
7	A And I apologize.	7	you say divisions, you're talking about whether
8	Q That's all right. I just thought I might	8	it's like sludge, or if it's water treatment, or
9	if we backtracked through it we might get your	9	wastewater? Is that what you're referring to?
10	memory going there, and then Letter I,	10	A No. The agency has six divisions, and so
11	correspondence, communication, file notes,	ii	each division seven divisions. It can include
1.2	memoranda, studies and reports related to storm	12	legal. So each division has its own records.
13	water discharge for any facility, municipality,	13	Q Right.
14	county, or other entity or individual in the Illinois	14	A Although the records are in the custody
15	River Watershed, and where would those be	15	of the central records group. So when I say
16	located?	16	division, I mean that overview of the divisions
17	A Those would be in ECLS box 9.	17	within the agency, and then the programs falls
		18	underneath the division for water quality.
18		19	Q Okay. So I'm sorry. I used the wrong
19	located in any of the water quality division boxes?  A Possibly, yes	20	term. So you have a division and then under water
20	* * *	21	quality division, you've got programs?
21	Q Let me backtrack for just a second and go	22	A Programs, yes.
22	to a general question. Your counsel had	23	Q And when we refer to programs, that's
23	mentioned something after we broke for lunch.	1	
24	How did you go about pulling these files? Were	24	when we're referring to
25	they pulled by county or were they pulled by the	25	A PWS, industrial, municipal, sludge.

	Page 71		Page 73
J	Page 71 Illinois River Watershed?	1	Q Okay. And PWS is public water supply?
1 2	_	1 2	Q Okay. And PWS is public water supply? A Yes.
	Illinois River Watershed?	1	<ul><li>Q Okay. And PWS is public water supply?</li><li>A Yes.</li><li>Q Okay. Do any of the other divisions have</li></ul>
2 3	Illinois River Watershed?  A All of the records?	2	Q Okay. And PWS is public water supply? A Yes.
2 3 4	Illinois River Watershed?  A All of the records?  Q Yes.	2 3	Q Okay And PWS is public water supply? A Yes. Q Okay Do any of the other divisions have programs underneath them? A They do have programs. They're not
2 3	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we	2 3 4	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them?
2 3 4 5	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records	2 3 4 5	Q Okay And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at.
2 3 4 5 6	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois	2 3 4 5 6	Q Okay And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll
2 3 4 5 6 7 8	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.	2 3 4 5 6 7	Q Okay And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at.
2 3 4 5 6 7 8 9	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.	2 3 4 5 6 7 8	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document
2 3 4 5 6 7 8 9	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.	2 3 4 5 6 7 8	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection.
2 3 4 5 6 7 8 9 10	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by	2 3 4 5 6 7 8 9	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having
2 3 4 5 6 7 8 9 10 11	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.	2 3 4 5 6 7 8 9 10	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having
2 3 4 5 6 7 8 9 10 11 12 13	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.  Q How are they filed in the boxes?	2 3 4 5 6 7 8 9 10 11	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection.
2 3 4 5 6 7 8 9 10 11 12 13 14	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.  Q How are they filed in the boxes?  A Depending it depends on the division.	2 3 4 5 6 7 8 9 10 11 12 13	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having pulled the counties, what process did they use to then decide which files were up there for us to
2 3 4 5 6 7 8 9 10 11 12 13 14 15	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.  Q How are they filed in the boxes?  A Depending it depends on the division.  Q Okay. Let's talk about the water quality	2 3 4 5 6 7 8 9 10 11 12 13 14	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having pulled the counties, what process did they use to then decide which files were up there for us to review or you said like you let me go back.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.  Q How are they filed in the boxes?  A Depending it depends on the division.  Q Okay. Let's talk about the water quality division.	2 3 4 5 6 7 8 9 10 11 12 13 14 15	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having pulled the counties, what process did they use to then decide which files were up there for us to review or you said like you let me go back. You said under the water quality division they
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.  Q How are they filed in the boxes?  A Depending it depends on the division.  Q Okay. Let's talk about the water quality division.  A Water quality is filed by division, then	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having pulled the counties, what process did they use to then decide which files were up there for us to review or you said like you let me go back. You said under the water quality division they went back and they broke it down then by
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.  Q How are they filed in the boxes?  A Depending it depends on the division.  Q Okay. Let's talk about the water quality division.  A Water quality is filed by division, then program, and then facility number, and the file	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having pulled the counties, what process did they use to then decide which files were up there for us to review — or you said like you — let me go back. You said under the water quality division they went back and they broke it down then by programs?
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.  Q How are they filed in the boxes?  A Depending it depends on the division.  Q Okay. Let's talk about the water quality division.  A Water quality is filed by division, then program, and then facility number, and the file and clip.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having pulled the counties, what process did they use to then decide which files were up there for us to review — or you said like you — let me go back. You said under the water quality division they went back and they broke it down then by programs? A Right.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	Illinois River Watershed?  A All of the records?  Q Yes.  A All of the records were identified we identified what counties were within the Illinois Watershed. Then each division pulled records according to those counties.  Q Okay.  A But they're not in the boxes by county.  Q Okay.  A In other words, they're not filed by county.  Q How are they filed in the boxes?  A Depending it depends on the division.  Q Okay. Let's talk about the water quality division.  A Water quality is filed by division, then program, and then facility number, and the file and clip.  Q Okay. And so you're saying the initial	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	Q Okay. And PWS is public water supply? A Yes. Q Okay. Do any of the other divisions have programs underneath them? A They do have programs. They're not necessarily filed that way in the boxes that you'll be looking at. Q Okay. So when you did this document review for, let's use, for example, the land services division? A Land protection. Q Land protection division. After having pulled the counties, what process did they use to then decide which files were up there for us to review or you said like you let me go back. You said under the water quality division they went back and they broke it down then by programs? A Right. Q And then by facility, and so is there a
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	Illinois River Watershed?  A All of the records?  Q Yes. 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	A Jerry Perrin. Q Looking at Request Number 11, you've indicated those are in the water quality division boxes. Who did you work with to obtain these documents?  A Jerry Perrin. Q Let's move on to Request Number 12. Request Number 12 says, "Produce all documents and data related to industrial wastewater general permits in the Illinois River from 1980 to the present," and it says, "including but not limited to the following," and in there is identified one, two, three, four, five, six, seven, eight, nine, ten, eleven or sorry, ten forms, and then also correspondence communication, file notes, memoranda, studies and reports, is that correct?  A Yes. Q Let's go through each letter, A through K, and could you tell me where all documents that have been identified under A would be located, Letter A of Request Number 12?  A Those will be in water quality division boxes 34 through 42, either file 1, or if they're very large, file 3.	Q Okay I'm providing you what I've marked as Exhibit 32 to your deposition. The title of Exhibit 32 is Oklahoma Department of Environmental Quality Application for General Permit OKG38 to Discharge Wastewater from Filte Backwash Operations At Potable Water Treatment Plants Under the Oklahoma Pollutant Discharge Elimination System, in parentheses, OPDES. Did state that correctly?  (Exhibit-32 marked for identification)  A Yes. Q Okay And in the document that I have provided to you, the first three pages of the document are instructions to DEQ, Form 2MW, is that correct?  A Yes. Q Okay And then the following I believe three pages, they're not front and back on the last three pages or the last few pages, are they, the forms?  A I'm sorry. Q The form that you have, the document that you have, is it front and back or just the

			1.
	Page 94		Page 96
1	A Just single-sided.	1	to your knowledge is this the form that DEQ is
1		2	currently using for application for authorization
2		3	for a general permit for surface coal strip mines?
3	last three pages of Exhibit 32 is an actual	4	A Yes.
4	application for authorization under OPDES general	l	
5	permit number OKG38 to discharge wastewater	5	Q Okay Do you know if there's any other

2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	been excluded from production?  A No.  Q I'm handing you what I'm marking as Exhibit 33 to your deposition. Exhibit 33 is entitled Surface Coal Mine Strip Surface Coal Strip Mine. Actually, strike that. Exhibit 32 is identified as Application for Authorization Under General Permit Number OKG04?  A 33.  Q 33. Sorry. I apologize. 33 Exhibit 33 is identified as Application for Authorization Under General Permit Number OKG04, Surface Coal Strip Mines, Form 605-G04, is that correct?  (Exhibit-33 marked for identification)  A Yes.  Q And the document that I provided to you may contain more pages than it should, but it says it's four pages long, but I think there's a blank page in there in the copy, and I also think at the	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	long, is that correct?  A Yes.  Q To your knowledge, is this the current form being utilized by the Department of Environmental Quality for an application for authorization under general permit number of OKG11 for concrete batch plants?  A Yes.  Q Okay. To your knowledge has any other form been utilized for that purpose by the DEQ?  A No.  Q Okay. Have you provided all applications for authorization under general permit number OKG11 concrete batch plans for industrial wastewater general permits in the Illinois River Watershed from DEQ since it began regulating such activity?  A Yes.  Q To your knowledge, have any applications
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	been excluded from production?  A No.  Q I'm handing you what I'm marking as Exhibit 33 to your deposition. Exhibit 33 is entitled Surface Coal Mine Strip Surface Coal Strip Mine. Actually, strike that. Exhibit 32 is identified as Application for Authorization Under General Permit Number OKG04?  A 33.  Q 33. Sorry. I apologize. 33 Exhibit 33 is identified as Application for Authorization Under General Permit Number OKG04, Surface Coal Strip Mines, Form 605-G04, is that correct?  (Exhibit-33 marked for identification)  A Yes.  Q And the document that I provided to you may contain more pages than it should, but it says it's four pages long, but I think there's a blank page in there in the copy, and I also think at the end it says page 2 of 4 and that's blank. So the	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	long, is that correct?  A Yes.  Q To your knowledge, is this the current form being utilized by the Department of Environmental Quality for an application for authorization under general permit number of OKG11 for concrete batch plants?  A Yes.  Q Okay. To your knowledge has any other form been utilized for that purpose by the DEQ?  A No.  Q Okay. Have you provided all applications for authorization under general permit number OKG11 concrete batch plans for industrial wastewater general permits in the Illinois River Watershed from DEQ since it began regulating such activity?  A Yes.  Q To your knowledge, have any applications for concrete batch plants been excluded from
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	been excluded from production?  A No.  Q I'm handing you what I'm marking as Exhibit 33 to your deposition. Exhibit 33 is entitled Surface Coal Mine Strip Surface Coal Strip Mine. Actually, strike that. Exhibit 32 is identified as Application for Authorization Under General Permit Number OKG04?  A 33.  Q 33. Sorry. I apologize. 33 Exhibit 33 is identified as Application for Authorization Under General Permit Number OKG04, Surface Coal Strip Mines, Form 605-G04, is that correct?  (Exhibit-33 marked for identification)  A Yes.  Q And the document that I provided to you may contain more pages than it should, but it says it's four pages long, but I think there's a blank page in there in the copy, and I also think at the end it says page 2 of 4 and that's blank. So the document I provided to you is actually six pages	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	long, is that correct?  A Yes.  Q To your knowledge, is this the current form being utilized by the Department of Environmental Quality for an application for authorization under general permit number of OKG11 for concrete batch plants?  A Yes.  Q Okay. To your knowledge has any other form been utilized for that purpose by the DEQ?  A No.  Q Okay. Have you provided all applications for authorization under general permit number OKG11 concrete batch plans for industrial wastewater general permits in the Illinois River Watershed from DEQ since it began regulating such activity?  A Yes.  Q To your knowledge, have any applications for concrete batch plants been excluded from production?
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	been excluded from production?  A No.  Q I'm handing you what I'm marking as Exhibit 33 to your deposition. Exhibit 33 is entitled Surface Coal Mine Strip Surface Coal Strip Mine. Actually, strike that. Exhibit 32 is identified as Application for Authorization Under General Permit Number OKG04?  A 33.  Q 33. Sorry. I apologize. 33 Exhibit 33 is identified as Application for Authorization Under General Permit Number OKG04, Surface Coal Strip Mines, Form 605-G04, is that correct? (Exhibit-33 marked for identification) A Yes.  Q And the document that I provided to you may contain more pages than it should, but it says it's four pages long, but I think there's a blank page in there in the copy, and I also think at the end it says page 2 of 4 and that's blank. So the document I provided to you is actually six pages long, but the permit the application appears to	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	long, is that correct?  A Yes.  Q To your knowledge, is this the current form being utilized by the Department of Environmental Quality for an application for authorization under general permit number of OKG11 for concrete batch plants?  A Yes.  Q Okay. To your knowledge has any other form been utilized for that purpose by the DEQ?  A No.  Q Okay. Have you provided all applications for authorization under general permit number OKG11 concrete batch plans for industrial wastewater general permits in the Illinois River Watershed from DEQ since it began regulating such activity?  A Yes.  Q To your knowledge, have any applications for concrete batch plants been excluded from production?  A No.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	been excluded from production?  A No.  Q I'm handing you what I'm marking as Exhibit 33 to your deposition. Exhibit 33 is entitled Surface Coal Mine Strip Surface Coal Strip Mine. Actually, strike that. Exhibit 32 is identified as Application for Authorization Under General Permit Number OKG04?  A 33.  Q 33. Sorry. I apologize. 33 Exhibit 33 is identified as Application for Authorization Under General Permit Number OKG04, Surface Coal Strip Mines, Form 605-G04, is that correct? (Exhibit-33 marked for identification) A Yes.  Q And the document that I provided to you may contain more pages than it should, but it says it's four pages long, but I think there's a blank page in there in the copy, and I also think at the end it says page 2 of 4 and that's blank. So the document I provided to you is actually six pages long, but the permit the application appears to be four pages long, is that accurate?	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	long, is that correct?  A Yes.  Q To your knowledge, is this the current form being utilized by the Department of Environmental Quality for an application for authorization under general permit number of OKG11 for concrete batch plants?  A Yes.  Q Okay. To your knowledge has any other form been utilized for that purpose by the DEQ?  A No.  Q Okay. Have you provided all applications for authorization under general permit number OKG11 concrete batch plans for industrial wastewater general permits in the Illinois River Watershed from DEQ since it began regulating such activity?  A Yes.  Q To your knowledge, have any applications for concrete batch plants been excluded from production?  A No.  Q Handing you what I'm marking as Exhibit
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	been excluded from production?  A No.  Q I'm handing you what I'm marking as Exhibit 33 to your deposition. Exhibit 33 is entitled Surface Coal Mine Strip Surface Coal Strip Mine. Actually, strike that. Exhibit 32 is identified as Application for Authorization Under General Permit Number OKG04?  A 33.  Q 33. Sorry. I apologize. 33 Exhibit 33 is identified as Application for Authorization Under General Permit Number OKG04, Surface Coal Strip Mines, Form 605-G04, is that correct?  (Exhibit-33 marked for identification)  A Yes.  Q And the document that I provided to you may contain more pages than it should, but it says it's four pages long, but I think there's a blank page in there in the copy, and I also think at the end it says page 2 of 4 and that's blank. So the document I provided to you is actually six pages long, but the permit the application appears to be four pages long, is that accurate?  A Yes.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	long, is that correct?  A Yes.  Q To your knowledge, is this the current form being utilized by the Department of Environmental Quality for an application for authorization under general permit number of OKG11 for concrete batch plants?  A Yes.  Q Okay. To your knowledge has any other form been utilized for that purpose by the DEQ?  A No.  Q Okay. Have you provided all applications for authorization under general permit number OKG11 concrete batch plans for industrial wastewater general permits in the Illinois River Watershed from DEQ since it began regulating such activity?  A Yes.  Q To your knowledge, have any applications for concrete batch plants been excluded from production?  A No.  Q Handing you what I'm marking as Exhibit 35 to your deposition. Exhibit 35 is entitled
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	been excluded from production?  A No.  Q I'm handing you what I'm marking as Exhibit 33 to your deposition. Exhibit 33 is entitled Surface Coal Mine Strip Surface Coal Strip Mine. Actually, strike that. Exhibit 32 is identified as Application for Authorization Under General Permit Number OKG04?  A 33.  Q 33. Sorry. I apologize. 33 Exhibit 33 is identified as Application for Authorization Under General Permit Number OKG04, Surface Coal Strip Mines, Form 605-G04, is that correct? (Exhibit-33 marked for identification) A Yes.  Q And the document that I provided to you may contain more pages than it should, but it says it's four pages long, but I think there's a blank page in there in the copy, and I also think at the end it says page 2 of 4 and that's blank. So the document I provided to you is actually six pages long, but the permit the application appears to be four pages long, is that accurate?	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	long, is that correct?  A Yes.  Q To your knowledge, is this the current form being utilized by the Department of Environmental Quality for an application for authorization under general permit number of OKG11 for concrete batch plants?  A Yes.  Q Okay. To your knowledge has any other form been utilized for that purpose by the DEQ?  A No.  Q Okay. Have you provided all applications for authorization under general permit number OKG11 concrete batch plans for industrial wastewater general permits in the Illinois River Watershed from DEQ since it began regulating such activity?  A Yes.  Q To your knowledge, have any applications for concrete batch plants been excluded from production?  A No.  Q Handing you what I'm marking as Exhibit

A Yes Q Let's move on to the easy questions now.	3 4 5 6 7 8 9 10 11 12 13 14 15	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?
3 4 5 6 7 8 9 10 11 12 13 14 15	question and give it to you this way. Has the — A I'm sorry. Q That's okay. I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity? A Yes. Q Let's move on to the easy questions now. Let's look at Letter K under Request for	3 4 5 6 7 8 9 10 11 12 13 14 15 16	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes.  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	question and give it to you this way. Has the — A I'm sorry. Q That's okay. I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity?  A Yes. Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	question and give it to you this way. Has the — A I'm sorry. Q That's okay. I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity? A Yes. Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the correspondence, communication, file notes,	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or depending on the size, file 3.
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	question and give it to you this way. Has the — A I'm sorry. Q That's okay. I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity?  A Yes. Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the correspondence, communication, file notes, memoranda, studies and reports for industrial	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or depending on the size, file 3.  Q Okay And Letter B under Request
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	question and give it to you this way. Has the — A I'm sorry Q That's okay I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity?  A Yes Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the correspondence, communication, file notes, memoranda, studies and reports for industrial wastewater general permits in the Illinois River	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or depending on the size, file 3.  Q Okay And Letter B under Request Number 13, general wastewater discharge permit
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	question and give it to you this way. Has the — A I'm sorry Q That's okay I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity? A Yes Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the correspondence, communication, file notes, memoranda, studies and reports for industrial wastewater general permits in the Illinois River from 1980 to the present would be located in the	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or depending on the size, file 3.  Q Okay And Letter B under Request
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	question and give it to you this way. Has the — A I'm sorry Q That's okay I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity? A Yes Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the correspondence, communication, file notes, memoranda, studies and reports for industrial wastewater general permits in the Illinois River from 1980 to the present would be located in the water quality division boxes upstairs, 34 through	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or depending on the size, file 3.  Q Okay And Letter B under Request Number 13, general wastewater discharge permit fact sheet, has that been produced?
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	question and give it to you this way. Has the — A I'm sorry Q That's okay I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity? A Yes Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the correspondence, communication, file notes, memoranda, studies and reports for industrial wastewater general permits in the Illinois River from 1980 to the present would be located in the	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes.  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or depending on the size, file 3.  Q Okay And Letter B under Request Number 13, general wastewater discharge permit fact sheet, has that been produced?  A Yes.
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	question and give it to you this way. Has the — A I'm sorry. Q That's okay I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity?  A Yes. Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the correspondence, communication, file notes, memoranda, studies and reports for industrial wastewater general permits in the Illinois River from 1980 to the present would be located in the water quality division boxes upstairs, 34 through 42, file 1, and maybe file 3, if large?	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes.  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or depending on the size, file 3.  Q Okay And Letter B under Request Number 13, general wastewater discharge permit fact sheet, has that been produced?  A Yes.  Q And where would that be located?
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	question and give it to you this way. Has the — A I'm sorry. Q That's okay I'm right there with you. Has the DEQ produced all applications for authorization under the NPDES general permit for wastewater discharges for hydrostatic test projects under DEQ jurisdiction whether under the form you have in front of you as Exhibit 41 or any previously used form in the Illinois River Watershed since the time it began regulating such activity?  A Yes. Q Let's move on to the easy questions now. Let's look at Letter K under Request for Production Number 12. You've indicated that the correspondence, communication, file notes, memoranda, studies and reports for industrial wastewater general permits in the Illinois River from 1980 to the present would be located in the water quality division boxes upstairs, 34 through 42, file 1, and maybe file 3, if large? A That's correct	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	and data related to municipal wastewater permits in the Illinois River Watershed from 1980 to the present, including but not limited to general wastewater discharge permit, municipal/domestic lagoons, and general wastewater discharge permit fact sheet for municipal and domestic lagoons, and then correspondence, communications, file notes, memoranda, studies and reports," is that correct?  A Yes.  Q Okay Looking at the specific items identified, where would general wastewater discharge permits be located upstairs in the boxes that have been produced?  A They will be in the water quality division boxes 26 through 31, and 34 through 42, file 1 or depending on the size, file 3.  Q Okay And Letter B under Request Number 13, general wastewater discharge permit fact sheet, has that been produced?  A Yes.  Q And where would that be located?  A That would be the same location.

discharge permit applications; Form 2M2, minor discharge permit applications; Form 2MG58, applications for authorization to be covered under general permit OKG58 for municipal and domestic discharge lagoons; Any violations or notices of violations of the above permits; DMR's; and correspondence, communication, file notes, memoranda, studies and reports," is that correct? A Yes. Q Okay. Let's look at once again, let's look at the individual items identified under Request Number 14. Can you tell me where all Form 2M1, the major discharge permit applications for any municipal wastewater discharge permit granted in the Illinois River Watershed would be located? A Those will be in the water quality division boxes 26 through 31, and 34 through 42, file 1, or depending on the size, file 3. Q Okay. And with regards to Letter B, Form 2M2, where would those be located? A The same. Q The same. And then Form 2MG58, where would those be located?
discharge permit applications; Form 2MG58, applications for authorization to be covered under general permit OKG58 for municipal and domestic discharge lagoons; Any violations or notices of violations of the above permits; DMR's; and correspondence, communication, file notes, memoranda, studies and reports," is that correct?  A Yes. Q Okay Let's look at once again, let's look at the individual items identified under Request Number 14. Can you tell me where all Form 2M1, the major discharge permit applications for any municipal wastewater discharge permit granted in the Illinois River Watershed would be located? A Those will be in the water quality division boxes 26 through 31, and 34 through 42, file 1, or depending on the size, file 3. Q Okay And with regards to Letter B, Form 2M2, where would those be located? A The same Q The same And then Form 2MG58, where would those be located?
25 A The same.
Page 113
Q Okay. What about violations or notices of violations of the above permits?  A Those could be in those boxes. They will be in the legal records.  Q Okay. DMR's?  A Water quality 26 through 31 and 34 through I'm sorry, 34 through 42.  Q And then, again, correspondence, communication, file notes, memoranda, studies and reports?  A That would be the same.  Q And, again, if there's some  correspondence or communication or file notes or memoranda regarding a violation or a notice of violation, it could also be located in the legal files?  A Yes.  Q I'm going to hand you what I've marked as Exhibit 42 or what has been marked as Exhibit 42 to your deposition. This Exhibit 42 is titled Application for Permit to Discharge Municipal/Domestic Wastewater, Form 2M1, hyphen, Major Discharge, is that correct?  (Exhibit-42 marked for identification)  A Yes.

Page 116 Page 114 form been utilized by the ODEQ for this purpose? I O Okay. And the document I provided to 1 2 you is multiple pages, but the first part of the 2 3 Q Has the ODEQ produced every application document itself, the first ten or so pages is 3 for permit to discharge municipal domestic 4 actually -- well, minus the cover sheet, the first 4 wastewater under Oklahoma Pollutant Discharge 5 5 nine pages are actually instruction sheets, is that Elimination System whether it be with this form or 6 6 correct? another form for minor discharge in response to 7 7 A Yes. 8 this request? 8 O Okay. And then the remaining pages in A Yes Exhibit 42 is the actual application for permit, is 9 9 O Has it excluded any applications, permit 10 10 that correct? applications for minor discharges? 11 A Yes 11 12 A No. To your knowledge, is this the current 12 13 Q Handing you what's been marked as form used by the ODEO to permit discharge of 13 Exhibit 44. Exhibit 44 is entitled Application for 14 municipal and domestic wastewater under an 14 Authorization to be covered under General Permit 15 OPDES permit? 15 OKG58, and then there's an ellipsis, for 16 16 A Yes. Municipal/Domestic Discharge Lagoon, 17 O Okay. Do you know whether ODEQ has 17 Instructions for Form 2MG58, is that correct? 18 ever utilized another form for this application? 18 (Exhibit-44 marked for identification) A I don't know. 19 19 A Yes O Okay. Has the ODEQ produced all 20 20 applications for permit to discharge municipal or 21 Q Okay. And the first four pages, other 21 than the cover sheet, the first four pages of 22 domestic wastewater under an OPDES permit 22 regardless of whether it's 2M1 or some other 23 Exhibit 44 is instructions followed by the actual 23 application, is that correct? 24 previous form for municipal wastewater discharge 24 25 A Yes. in the Illinois River Watershed for the time period 25 Page 117 Page 115 Q Okay. Is this the current application that the ODEQ has been regulating such activity? 1 utilized by the Oklahoma Department of 2 2 A Yes. Environmental Quality for authorization to be 3 O Do you know when the ODEQ began 3 covered under general permit OKG58 for municipal 4 4 regulating such activity? 5 and domestic discharge lagoons under the OPED --5 A I do not under an OPDES permit? Q Okay. Has any applications for a major 6 6 7 A Yes. discharge permit for municipal wastewater 7 8 Okay. To your knowledge, has any other treatment facility in the Illinois River Watershed 8 form been utilized for this purpose? 9 9 not been produced? 10 A No. 10 A No. O Has ODEQ produced every application for 11 Q Handing you what's been marked as 11 authorization for the purpose stated in Exhibit 44 Exhibit 43 to your deposition. Exhibit 43 is titled 12 12 for the Illinois River Watershed from the time it 13 Application for Permit to Discharge 13 began regulating such activity? 14 Municipal/Domestic Wastewater, Form 2M2, Minor 14 A Yes Discharge, and, again, this form has 15 15 Q To your knowledge, has any application approximately five pages of instruction followed by 16 16 been excluded? 17 the application itself, is that correct? 17 18 A No. (Exhibit-43 marked for identification) 18 Q Looking at Letter D under Request for 19 19 Yes. Α Production Number 14 which asks for all 20 O Okay. And is this the current form used 20 by the ODEQ for applications for a permit to 21 documents and data related to violations or 21 notices of violations of permits for municipal discharge municipal or domestic wastewater under 22 22 wastewater discharge in the Illinois River 23 an OPDES permit? 23 Watershed, have those been produced by the A Yes. 24 24 Q Okay. To your knowledge, has any other 25 ODEQ? 25

RHONDA CRAIG

1 A Yes. 2 Q Has any violation or notice of violation 3 been excluded? 4 A No. 5 Q And DMR stands for discharge monitoring 6 report, correct? 7 A Yes. 8 Q So under Letter E, Request Number 14, it 9 refers to the discharge monitoring reports for 10 municipal wastewater discharge permits issued in 11 the Illinois River Watershed by ODEQ, correct? 12 A Yes. 13 Q Okay. Have those been produced for the 14 Illinois River Watershed since ODEQ has been	Page 120  Q Okay Request Number 15 says, "Produce all documents and data associated with or relating to the investigation, promulgation or development of any total maximum daily loads for any impaired body waters within the Illinois River Watershed," is that correct?  A Yes.  Q What divisions of the ODEQ did you discuss locating documents and data responsive to this request?  A Water quality division.
2 Q Has any violation or notice of violation 3 been excluded? 4 A No. 5 Q And DMR stands for discharge monitoring 6 report, correct? 7 A Yes. 8 Q So under Letter E, Request Number 14, it 9 refers to the discharge monitoring reports for 10 municipal wastewater discharge permits issued in 11 the Illinois River Watershed by ODEQ, correct? 12 A Yes. 13 Q Okay. municipal wastewater discharge permits issued in the Illinois River Watershed by ODEQ, correct?  A Yes.  Q Okay. Have those been produced for the Illinois River Watershed since ODEQ has been	<ul><li>this request?</li><li>A Water quality division.</li></ul>
the Illinois River Watershed by ODEQ, correct?  A Yes.  Q Okay. Have those been produced for the Illinois River Watershed since ODEQ has been	11 A Water quality division.
12 A Yes. 13 Q Okay. Have those been produced for the 14 Illinois River Watershed since ODEQ has been	
12 A Yes. 13 Q Okay. Have those been produced for the 14 Illinois River Watershed since ODEQ has been	
14 Illinois River Watershed since ODEQ has been	12 Q Okay. Is there any other division that
14 Illinois River Watershed since ODEQ has been	13 would have within its realm documents or data
	that would be related to the investigation,
15 regulating such activity?	promulgation or development of the TMDL for the
16 A Yes.	16 Illinois River Watershed?
17 Q Have any been excluded?	17 A No.
18 A No.	18 Q And your answer to that question, is that
19 Q Letter F of Request Number 14,	based on your knowledge of the records and the
20 correspondence, communication, file notes,	20 divisions of ODEQ, or is it based on something
•	21 someone has told you?
	22 A That is based on my knowledge of the
22 that you believe those are located in water quality	23 records
division boxes 26 through 31, 34 through 42,	
either in file 1 or possibly in file 3 based on the	Q Okay. And what did you do, if anything, to verify that to be the case?
25 size for all municipal wastewater discharge	to verify that to be the case?
Page 119	Page 121
permits issued by the ODEQ in the Illinois River	A I spoke with the record custodian, Jerry Perrin, for water quality records, and he spoke
2 Watershed, is that correct?	
3 A Yes.	3 with I believe Ilda Hershey who had that
4 Q Okay You've also indicated that you if	4 information
5 the correspondence, or communication, file notes,	5 Q And who is Ilda Hershey?
6 memoranda, study or report is related to a	6 A She works in the water quality division.
7 violation or a notice of violation, there may be	7 Q Okay And to your knowledge, have all
8 some of that located in the legal files?	8 documents and data associated with the
9 A That's correct.	9 investigation, promulgation, or development of any
10 Q Okay. To your knowledge, has any	10 TMDL for the impaired water bodies within the
11 correspondence been excluded that would be	Illinois River Watershed been produced?
12 related to a municipal wastewater discharge	12 A Yes.
13 permit in the Illinois River Watershed?	Q To your knowledge, has any documents or
14 A No.	data that's responsive to this request that have
15 Q To your knowledge, have any	been identified as responsive to this request not
16 communications regarding a municipal wastewater	been produced?
17 discharge permit in the Illinois River been	17 A No.
18 excluded from production?	18 Q Where would this information, any data
	and documents related to the investigation,
19 A No.	20 promulgation, or development of the TMDL, be
i i	
20 Q Okay How about file notes?	
20 Q Okay How about file notes? 21 A No.	located in the boxes produced upstairs?
20 Q Okay. How about file notes? 21 A No. 22 Q Memoranda?	located in the boxes produced upstairs? A They would be in the municipal files,
20 Q Okay. How about file notes? 21 A No. 22 Q Memoranda? 23 A No.	located in the boxes produced upstairs?  A They would be in the municipal files, boxes 26 through 31, file 1, and they would be in
20 Q Okay. How about file notes? 21 A No. 22 Q Memoranda?	located in the boxes produced upstairs? A They would be in the municipal files,

	Page 122		Page 124
		1	Watershed?
2	A Yes. Q Okay.	2	A No.
3	A I'm sorry.	3	Q Only the water quality division?
4	Q Let's move on to Request Number 16.	4	A Yes.
5	Request Number 16 asks that the DEQ produce all	5	Q Is that correct?
6	documents and data related to sedimentation,	6	A Yes.
7	erosion, deterioration or riparian lands or	7	Q And how did you come to that conclusion?
8	riparian zones in the Illinois River Watershed,	8	A 1 spoke with David Pruitt in water
9	including but not limited to, any investigations,	9	quality.
10	projects, reports or studies undertaken or	10	Q Okay So it was based on your discussion
11	considered, whether or not completed, is that	11	with him that you concluded there was no other
12	correct? Did I read that correctly?	12	division that would have this information?
13	A Yes.	13	A That's correct
14	Q Okay And it's my understanding that	14	Q Did you undertake any independent effort
15	you have not seen the completed discovery	15	to contact any of the other divisions with regards
16	responses that the ODEQ provided to my client,	16	to this specific request?
17	Peterson Farms?	17	A No.
18	A That is correct.	18 19	Q To your knowledge, have all documents, data and data related to sedimentation, erosion,
19	Q Okay. So the only thing that you've seen	20	and deterioration of riparian lands or riparian
20	are the requests that I propounded to the or	21	zones in the Illinois River Watershed been
21	that I issued to the Oklahoma Department of Environmental Quality, correct?	22	produced by the ODEQ to the extent they exist?
22	A That's correct.	23	A Yes.
23 24	Q In your search for these documents, did	24	Q Let's move to Request Number 17.
25	you identify any current studies which have been	25	Request Number 17 says, "Produce all documents
25	you identify any current studies which have been		,
	Page 123		Page 125
1		· ·	and data related to any commercial nursery
1	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of	2	and data related to any commercial nursery currently or formerly located within the Illinois
1 2 3	undertaken by the ODEQ with regards to	2 3	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?
2	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking	2 3 4	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.
2 3 4 5	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe	2 3 4 5	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates
2 3 4 5 6	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this	2 3 4 5 6	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?
2 3 4 5 6 7	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.	2 3 4 5 6 7	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.
2 3 4 5 6 7 8	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.	2 3 4 5 6 7 8	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than
2 3 4 5 6 7 8	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area	2 3 4 5 6 7 8 9	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that
2 3 4 5 6 7 8 9	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of	2 3 4 5 6 7 8 9	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes. Q What division of the ODEQ regulates commercial nursery activity? A None. Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?
2 3 4 5 6 7 8 9 10	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another	2 3 4 5 6 7 8 9 10	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes. Q What division of the ODEQ regulates commercial nursery activity? A None. Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion? A I spoke with David Pruitt, Barbara
2 3 4 5 6 7 8 9 10 11	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?	2 3 4 5 6 7 8 9 10 11	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.
2 3 4 5 6 7 8 9 10 11 12	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.	2 3 4 5 6 7 8 9 10 11 12 13	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.  Q So has ODEQ produced any documents or
2 3 4 5 6 7 8 9 10 11 12 13	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.  Q Okay. So all the documents you believe	2 3 4 5 6 7 8 9 10 11 12 13	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.  Q So has ODEQ produced any documents or data related to any commercial nursery currently
2 3 4 5 6 7 8 9 10 11 12 13 14	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.  Q Okay. So all the documents you believe are that ODEQ believes are responsive to this	2 3 4 5 6 7 8 9 10 11 12 13 14 15	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.  Q So has ODEQ produced any documents or data related to any commercial nursery currently or formally operating in the Illinois River
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.  Q Okay. So all the documents you believe are that ODEQ believes are responsive to this request would be contained in the storm water	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.  Q So has ODEQ produced any documents or data related to any commercial nursery currently
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.  Q Okay. So all the documents you believe are that ODEQ believes are responsive to this request would be contained in the storm water files which are the water quality division storm	2 3 4 5 6 7 8 9 10 11 12 13 14 15	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.  Q So has ODEQ produced any documents or data related to any commercial nursery currently or formally operating in the Illinois River Watershed?
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.  Q Okay. So all the documents you believe are that ODEQ believes are responsive to this request would be contained in the storm water files which are the water quality division storm water files, and what boxes are those?	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.  Q So has ODEQ produced any documents or data related to any commercial nursery currently or formally operating in the Illinois River Watershed?  A No.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.  Q Okay. So all the documents you believe are that ODEQ believes are responsive to this request would be contained in the storm water files which are the water quality division storm water files, and what boxes are those?  A The storm water boxes are box 9 if they	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes. Q What division of the ODEQ regulates commercial nursery activity? A None. Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion? A I spoke with David Pruitt, Barbara Rausch. I think that's it. Q So has ODEQ produced any documents or data related to any commercial nursery currently or formally operating in the Illinois River Watershed? A No. Q And it's your understanding that's
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.  Q Okay. So all the documents you believe are that ODEQ believes are responsive to this request would be contained in the storm water files which are the water quality division storm water files, and what boxes are those?  A The storm water boxes are box 9 if they exist.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.  Q So has ODEQ produced any documents or data related to any commercial nursery currently or formally operating in the Illinois River Watershed?  A No.  Q And it's your understanding that's because no documents exist responsive to this
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands?  A We did not identify any after speaking with David Pruitt in water quality. We believe that if we have anything responsive to this request, it would be in our storm water files.  Q Okay.  A Otherwise, we don't believe it's our area of  Q So you believe another agent in another agency's area?  A Yes.  Q Okay. So all the documents you believe are that ODEQ believes are responsive to this request would be contained in the storm water files which are the water quality division storm water files, and what boxes are those?  A The storm water boxes are box 9 if they exist.  Q Right, if they exist. Is there any other	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	and data related to any commercial nursery currently or formerly located within the Illinois River Watershed," is that correct?  A Yes.  Q What division of the ODEQ regulates commercial nursery activity?  A None.  Q None. And what individuals other than the ODEQ did you speak with to arrive at that conclusion?  A I spoke with David Pruitt, Barbara Rausch. I think that's it.  Q So has ODEQ produced any documents or data related to any commercial nursery currently or formally operating in the Illinois River Watershed?  A No.  Q And it's your understanding that's because no documents exist responsive to this request?  A That's correct.  Q Okay. Looking at Request for Production
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	undertaken by the ODEQ with regards to sedimentation, erosion, or deterioration of riparian lands? RHONDA CRAIG

Page 128 Page 126 and that's been specifically identified in this formerly within the Illinois River Watershed. Did 1 request within the Illinois River Watershed --2 you identify any documents responsive to this 2 3 A Yes 3 request? Q -- is that correct? 4 4 A No. A Yes 5 5 Q And once again, that's because it's your 6 O Where would those be located? understanding that this is not within ODEQ's 6 7 A The complaints? regulatory responsibilities? 7 The complaints and the notices, yes. A That's correct 8 8 O And that was based on your discussion 9 Okay. The complaints will be in the ECLS 9 10 division boxes 1 through 8. The notices of with Barbara Rausch and David Pruitt? 10 violation will be in legal division boxes 6 and 7. 11 11 The municipal wastewater dischargers will be in 12 O Did you check with any other division 12 water quality division boxes 26 through 31 and 13 other than water quality and legal -- and your 13 14 34. That's all I have. legal counsel for ODEQ to come to that 14 15 O Okay. To your knowledge, has ODEQ 15 determination? produced all complaints or notices of violation 16 A No. 16 that have been filed with it or made known to it Q Let's look at Request for Production 17 17 Number 19. Request for Production 19 seeks 18 regarding any commercial nursery, septic tank, 18 documents and data related to any complaints or 19 municipal wastewater discharges, gravel mining, 19 notices of violation filed with the ODEQ regarding 20 dam construction, solid or hazardous waste 20 21 hauling or disposal, or industrial wastewater commercial nurseries, septic tanks, municipal 21 dischargers in the Illinois River since 1980 to the wastewater dischargers, gravel mining, dam 22 22 23 present to the extent they exist? construction, solid or hazardous wastewater 23 hauling or disposables -- disposal, sorry, or 24 24 25 And when I say to the extent they exist, industrial wastewater discharges in the Illinois 25 Page 129 Page 127 River Watershed from 1980 to the present. Did I we're not talking about because the records have 1 1 2 been destroyed? 2 read that correctly? 3 A That's correct. 3 A Yes. 4 Q Okay. To your knowledge, have any 4 Q Okay. Based on what you just previously 5 documents that would be responsive to this 5 answered in the Request Number 17 and 18, I want 6 to ask you -- we're going to break this down by 6 request, have they been destroyed by the ODEQ, 7 rather, I mean, under even maybe their own each of these segments. It's my understanding 7 destruction policy, document destruction policy? 8 8 from what you previously told me, ODEQ does not 9 regulate commercial nurseries, is that correct? A No. 9 10 O To your knowledge, have any complaints 10 A That is correct. or notices of violation been excluded? Q Do you have -- did you identify any 11 11 complaints or notices of violation that had been 12 A No. 12 13 O Let's look at Request for Production 13 filed, however, with the ODEO regarding commercial nurseries? 14 Number 20. Request for Production Number 20 14 A We did not pull specifically. We pulled 15 asks that the ODEQ produce all documents and 15 data related to any notices of violation of any 16 all complaints. 16 rules of the ODEQ environmental statutes of the O Okay. So you didn't go through and 17 17 break it out by whether it was a septic tank 18 state of Oklahoma issued by the ODEQ or agent of 18 19 ODEO on any point or non-point source discharger 19 complaint or a commercial nursery? 20 within the Illinois River Watershed Did I read 20 that correctly? O You've just produced all complaints 21 21 A Yes. associated with the Illinois River Watershed? 22 22 23 Q Did you identify any documents that were 23 A That's correct. Q Okay. And you also pulled notices of 24 responsive to Request Number 20? 24 25 A Any documents responsive to that request 25 violations for all activity regulated by the ODEQ,

RHONDA CRAIG

November 27, 2006

Page 132 Page 130 search was conducted by a county for all 1 are in legal boxes 6 and 7. 1 documents, whether NOV's or complaints, that 2 Q Okay. And in Request Number 19, it 2 were within those counties within the time frame 3 talks about notices of violation as well, and you 3 indicated that with regards to municipalities, that 4 specified by the request. 4 5 O Okay. Did that -- I mean, you had 5 there might be some located in the water quality indicated the ODEQ basically came into existence 6 division boxes. Would that be applicable also to 6 regulating the non -- point and non-point source Number 20, that if the point source is a 7 7 discharging in 1994. In your search did you pick 8 8 municipality, that it may be located in that file as 9 up any violations or complaints prior to 1994? 9 10 A Yes. A It could be the legal record. The legal 10 O Okay. And those have been included? 11 file is the official file. 11 12 Α Yes Q Okay. 12 To your knowledge, prior to 1994, have 13 A Occasionally some of these documents 13 any of those complaints or violations been 14 can be located in the water quality files. 14 destroyed in either a document retention policy or 15 15 O Okay. And to your knowledge have all iust inadvertently? 16 documents and data related to any notices of 16 A I have no knowledge of that. violation of the ODEQ or environmental statutes of 17 17 Q Okay. the state of Oklahoma regarding any point source 18 18 or non-point source within the Illinois River 19 A I don't know. 19 20 Q What divisions did you speak with about Watershed been produced? 20 21 obtaining the notices of violations or complaints A Yes. 21 identified and requested in 19, 20 and - Requests 22 O Do you know or are you aware of any 22 for Production 19, 20, and 21? 23 violations, notices of violations, that have -- for 23 A The legal division and the environmental 24 any point or non-point source within the Illinois 24 25 complaints and local services. 25 River Watershed that have not been produced? Page 133 Page 131 Q Okay. To your knowledge, has the ODEQ 1 1 A No. produced all notices of violations for any rule, 2 2 O Let's look at Request Number 21. 3 EPA rule, or environmental federal statute or 3 Request Number 21 asks that the ODEQ produce all documents and data related to any notices of 4 regulation issued by the EPA on any point and 4 5 non-point source discharge within its files? 5 violation of any rules of the EPA or any A Yes. Any documents we have in our 6 environmental federal statue or regulation issued 6 7 control by the EPA, ODEQ, or any agent of the ODEQ on 7 8 Q And did you -- are you aware of any 8 any point or non-point source of discharger within 9 documents that, although responsive, have not -the Illinois River Watershed. While the previous 9 10 were not produced? request goes to rules of the DEQ and state 10 statutes, this one goes more to federal violations. 11 A No. 11 Q Let's look at Request for Production 12 Did you identify any documents responsive to 12 Number 22 Request for Production Number 22 13 13 Request Number 21? states or requests all documents and data related A Not specifically, but notices of violations 14 14 15 to the condition of any stream, rivers or 15 will be in boxes 6 and 7 -impoundment, and/or any impacts, solutions, or Q Okav. 16 16 recommendations for any stream, river or -- of the legal division. I'm sorry. 17 17 impoundment in the Illinois River Watershed, 18 O Okay. And when you were undertaking 18 including but not limited to any investigations, your investigation and looking into those notices 19 19 20 reports, studies, projects monitoring, evaluations of violation, the complaints that were identified 20 and assessments either undertaken or considered, and requested in 19, 20, and 21, can you describe 21 21 whether or not completed. Did I read that for me the process you undertook in trying to 22 22 identify all the responsive documents? 23 correctly? 23 A A search was conducted after we were 24 A Yes. 24 25 Q Can you tell me what you did to identify notified of the counties involved in the IRW. A 25

November 27, 2006

Page 140 Page 138 A No. To Number 22? 1 2 O Okay. So if I wanted to understand in Uh-huh. 2 Q 3 greater detail the thought process that went into A I can't -- I can't speak to that. I don't 3 what documents were produced responsive to this 4 4 know. request, I should talk to Jerry, not you? 5 5 Q Okay. A Well, I'm not sure my notes are correct on 6 6 A I'm sorry. I thought you meant in 7 this one, so I'm not sure that's accurate. 7 general Q Okay. Explain to me what you think 8 O Well, and I guess I'm saying in general. 8 9 Do you know -- do they have different -- are they 9 might -responsible for different -- you know, there's the 10 A Well, I have -- my personal notes read 10 11 water quality box 65, but I'm not sure that's division of the water quality division, but, you 11 know, there may be segments underneath that 12 accurate. 12 13 Q Is your -- although your notes indicate Are these individuals responsible for maybe 13 that, is your memory of what might -- where this 14 certain segments of that division? 14 might be located different? A Yes. 15 15 A I don't know I cannot -- I know we 16 16 Q Okay. Can you tell me -- do you know, 17 discussed it, Barbara and I, but I can't recall 17 you know, what those segments are and who's 18 right now. I really can't. 18 responsible for that particular segment? O Can you say whether or not the 19 A I do not 19 Q Okay Let's move on to Request Number 20 documents -- all the documents ODEQ has in its 20 23. I'm sorry. Where would these -- where would 21 possession that is responsive -- that are 21 the documents that have been identified as 22 responsive to this request have been produced? 22 23 A I can say that they have been produced if responsive to Request Number 22 be located 23 they are in our possession. I just -- I'm not clear 24 24 upstairs? 25 on where or how or if we have any. A In water quality division boxes 62 25 Page 141 Page 139 Q Okay And I guess if you're not clear on 1 1 through 66. Q Okay. Looking at Request Number 23, 2 that, is there another individual who would be 2 3 better to ask that question to? we've asked that ODEQ produce all documents and 3 A Barbara Rausch. data related to and created by ODEQ pursuant to 4 4 Q Okay. Is there anyone who's not an 5 5 ODEO's coordination obligations and 6 attorney better to ask that question to? 6 responsibilities under Senate Bill 972 with the 7 A (Witness shakes head.) 7 Secretary of the Environment including all 8 O All right 8 documents and data received from or transmitted to the Oklahoma Secretary of Environment and his 9 A I'm sorry. 9 -- or his representatives or any other state agency 10 (Short break at 3:12 p.m., resumed at 10 or commission. How did you -- what process did 11 11 THE WITNESS: Okay, Now I know. you undertake to identify documents responsive to 12 12 Q (BY MS. LONGWELL) Okay Well, tell me 13 13 this request? what you know. 14 A I spoke with Jerry Perrin and Barbara 14 A We spoke with David Pruitt, Jerry and I 15 15 Rausch. did the other day, and David Pruitt produced what Q Okay. Who provided you the information 16 16 he had sent over to the Secretary of Environment, 17 17 responsive to this request? 18 so David Pruitt in water quality is the person. A I believe Jerry did 18 Q Okay. So all the documentation -- and Q Okay. So he sent over those documents 19 19 Jerry is with the water quality --20 responsive to this request that included 20 21 documents he had forwarded to the Secretary of A Water quality division, yes. 21 Q And he -- do you know -- did he indicate 22 Environment? 22 who he may have worked with in the water quality 23 A Yes. That's correct. 23 Q Do you know if that production includes 24 division to obtain the documents responsive to 24 25 this request? 25 documents that may have been created by the

Page 148 Page 146 Q Okay. Can you tell me the location of all works within that division who just worked with 1 1 documents that have been produced regarding 2 your individual custodians, division custodians? 2 3 A Yes. Sequoyah Fuels Facility responsive to this request 3 4 Q Okay. Is it your understanding that all where they're located upstairs? 4 documents and data related to Sequoyah Fuels 5 A They will be in air quality box 1, ECLS 5 Facility have been produced in response to 6 box 1 through 9, land protection boxes 1 through 6 Request Number 25? 7 21, water quality box 39, and then boxes 59 7 8 A Yes. 8 through 61, and if we have legal documents, they Q To your knowledge have any documents 9 9 could be in any of the boxes, 1 through 9, or 10 10 however many there are in legal. been excluded from production? A No. O Okay. Who did you speak with in the 11 11 water quality division regarding the documents 12 O Okay. But, again, because you weren't in 12 and data related to Sequoyah files? 13 direct communication with that division, you don't 13 14 know whether or not during that communication 14 A Jerry Perrin. they would have -- any division employee would O Okay. And who in the land protection 15 15 have indicated that certain documents may not be 16 division? 16 responsive to this request that involves Sequoyah 17 17 A Sara Byers. 18 Fuels? Q And who did you speak with in the air 18 19 A I disagree 19 quality division? 20 A Myself. 20 O Okay. Okay. And who in ECLS? 21 We're the records custodians, so we know 21 Q where the records are. We have control over the Ellen Akin 22 22 A Okay. And then legal, Barbara Rausch? 23 records in the checkout process, and so we know 23 Q 24 how to identify where the records are No. Sandra McClain. 24 A 25 O Uh-huh. But you don't know whether any Okay. Sandra McClain. 25 Page 149 Page 147 1 individual working within the division, however, And may I clarify? 1 2 may have directed that custodian not to produce a 2 Uh-huh. Q 3 specific document, though? Would you have 3 When I say -- when you say who did you 4 knowledge of that conversation? speak with in these divisions, often these people 4 5 A I would have knowledge, but none of my 5 are the records custodians who work in central 6 records clerks told me that. 6 records. They're actually in the administrative services division. 7 O Okay. You don't have, like, a process for 7 8 keeping track of anything along those lines in a 8 Q Okay. 9 document production such as this, and I'm not 9 A But they are records custodians for these 10 divisions, but they work for me. 10 sure that you've ever been involved in one like O Did you have any communications or 11 this, of this magnitude necessarily? 11 discussions with any individual who actually 12 A Right 12 Q Do you have any kind of internal protocol works in the divisions, these particular divisions 13 13 to follow when working with the division to 14 regarding documents related to Sequoyah Fuels 14 determine documents that are responsive other 15 15 Facility? 16 than just saying, "Okay. As the custodian I know A I did not 16 all these documents have Sequoyah Fuels name on Q Okay. Do you know whether any of these 17 17 18 them. Here's these files, but which documents do individual custodians, you know, division 18 19 I pick to be selected?" You're not -- as custodian custodians have had any communication with any 19 20 individual who actually works in that division that 20 of records you're not making that determination, they're the custodian of records for? 21 are you? 21 A Normal course of business would say that 22 A I make the determination that if a request 22 23 is for all of a facility, I do make that 23 they did, but I don't know that they did. O Okay. But you didn't have any, like, 24 determination, yes. 24 25 Q Okay. 25 discussions specifically with any individual who

November 27, 2006 STATE OF OKLAHOMA v. TYSON FOODS RHONDA CRAIG

Page 152 Page 150 Q (BY MS. LONGWELL) Okay. Let's go on 1 And we do have a process. 1 to Request Number 26. It says, "Produce all 2 2 Q Okay. A For each division, the records custodian 3 documents and data related to management, 3 4 treatment and/or disposal of solid waste, will either e-mail or go down to the division to the 4 5 semi-solid waste, liquid waste, wastewater and 5 program. б sewage generated from Tenkiller State Park, Adair 6 O Uh-huh. 7 State Park, Natural Falls State Park, and Cherokee And will request documents being 7 8 Landing State Park." Did I read that correctly? returned or just request that anything they might 8 have on their desk be sent up to central records 9 A Yes 9 O Okay. What divisions of ODEQ were 10 because of this request for production. 10 involved in producing documents responsive to Q Okay. And once -- and since we're 11 11 talking about the process, once you guys -- once 12 this request? 12 13 you have gathered those documents, what do you 13 A Are you asking me which divisions do next with them? 14 produced or which divisions were asked? 14 Q Well, tell me first which divisions were A Once we've gathered the documents, we 15 15 asked. make sure that they're in an organized format, and 16 16 A All divisions were asked. The only then we put them in boxes, inventory them, create 17 17 responsive documents we had were from water electronic inventories if it's not already created, 18 18 19 quality. and add it to our list. 19 Q Okay. 20 20 Q Okay. And then at that point, does 21 A And may I say that when all divisions 21 someone else step in to review the documents that you've chosen as being responsive to the requests 22 were asked, all custodians of records were asked. 22 23 23 that have been made upon the agency? Like in Q Okay. And then they -this instance, did an attorney from legal or maybe 24 Α 24 To review the division's files to determine outside counsel for the state come back in and 25 25 Page 151 Page 153 whether or not the documents were responsive? conduct a review behind you after you and your 1 1 2 2 custodians --3 Q And is that an electronic -- you keep 3 A Yes 4 track of documents and files electronically or -- pulled the documents together? 0 4 5 physically? I mean, is there a physical inventory Yes. 5 Α 6 or is it more of an electronic inventory? Q Okay. And were you involved in that 6 7 A Of all the records? 7 review at all? 8 A Yes. 8 Q Yes. You were involved in that review? 9 A They're electronic. 9 10 Q Okay. So when you conducted a search, 10 A I was involved -- yeah. I was involved in would that have involved your custodian getting the -- I don't know how to put that. I was in the 11 11 on that electronic system and querying it for 12 12 room, yes. 13 documents that were responsive? 13 Q Okay. 14 A They actually -- they do three things. Yes. 14 A O And I'll go back to that. We'll go back to 15 Okay. 15 discussing that in greater detail, but we'll move They look at the electronic inventory, 16 A 16 they do a physical search in the records, and they forward right now through the requests. It helps 17 17 me maybe to understand a little bit more since you 18 go to the division to ascertain if there are other 18 went through that protocol of what's transpiring, 19 records that are responsive. 19 20 Q Okay And for -- okay. So you found that and maybe simplify my requests -- my questions to 20 21 the only division that had documents that were 21 you today. 22 responsive to this request was the water quality 22 A Sure Q Let's look at -- did I get a location for 23 division? 23 everything? I think I did. 24 A That's correct. 24 MR. BEATY: Yes. 25 Okay. But there were documents that 25

Are there any other of the requests prior to these, to 28 and 27, that there are electrical electric documents available that have not been produced yet?  A I don't know.  Q Okay. Has a search been conducted for those documents electronically that are responsive to the previous, 26, request?  A I believe the search is ongoing.  Q Okay. But there is a search that has been conducted, and there may be additional documents identified that are responsive in electronic format other than those in physical format upstairs?  A That is possible.  Q Has the agency identified any before letting my client know whether or not you identify

RHONDA CRAIG

	D 160		Page 160
	Page 158	1	A Yes.
1 1	A I guess I don't understand what you're	1 2	Q Okay. Do you recall identifying any
2	asking.  Q I guess my question is does the ODEQ	3	documents responsive to this request?
.5 4	intend on letting my client know if they identify	4	A The records request we have received
5	additional documents responsive to these	5	from the defendants.
6	requests?	6	Q Okay.
7	A As far as the paper documents are	7	A We've produced those.
8	concerned, yes. We, in the records interval,	8	O Okay I noticed when I was upstairs
9	continue to accrue documents daily, and we will	9	there was a box that said "Simmons Foods" on it.
10	let you know when new documents come in Before	10	So obviously there's something there that's related
11	filing we will allow you to come in and copy or	11	to a defendant in this lawsuit, correct?
12	photocopy or image or whatever it is you need to	12 •	A Uh-huh Uh-huh
13	do, yes	13	Q Okay But you can't specifically identify
14	Q And then through state's counsel are you	14	the location of anything else?
15	going to I'm assuming it's going to come	15	A No.
16	through state's counsel, but obviously if you	16	Q Okay. To your knowledge have any
17	identify electronic documents, are you also going	17	documents or data responsive to this request been
18	to inform state's counsel there's documents that	18	excluded?
19	have been identified in electronic form	19	A No.
20	A Yes.	20	Q We're making such headway, but I want to
21	Q — that are responsive to the requests?	21	ask you because I don't want to be rude. Do you
22	A Yes.	22	need to take a break?
23	Q So the location of the documents that are	23	A I'm okay.
24	responsive in Request Number 28 would be	24	Q Okay.
25	could be potentially through any division boxes?	25	MR. NANCE: Pass that around See if it
	Page 159		Page 161
1	A That's correct.	1	will help the examination.
2	Q Okay. To your knowledge, have all	2	Q (BY MS. LONGWELL) Thank you. My
3	documents and data related to Request Number 28	3	throat just can't take any more
4	been produced unless it's in electronic format?	4	A Do you want to take a break?
5	A Yes	5	Q Huh-uh Let's go to Request for
6	Q To your knowledge, have any of the	6	Production Number 30 which asks for all
7	documents that would be responsive to Request	7	documents and data relating to any impact on the
8	Number 28 been excluded from the production?	8 9	environment or natural resources in the Illinois River Watershed from poultry or poultry-related
9	A No.	1 9	
10	O Latte Inchest Decrease for Decreasion		
1	Q Let's look at Request for Production	10	operations. Did you identify any documents
11	Number 29. It asks that the ODEQ produce all	10 11	operations. Did you identify any documents responsive to this request?
11 12	Number 29. It asks that the ODEQ produce all documents and data related to any communication	10 11 12	operations. Did you identify any documents responsive to this request?  A We have any documents that are
11 12 13	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the	10 11 12 13	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout
11 12 13 14	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents	10 11 12 13 14	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.
11 12 13 14 15	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents responsive to this request?	10 11 12 13 14 15	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. And once again, what process did
11 12 13 14 15 16	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents responsive to this request?  A We believe that they are spread	10 11 12 13 14	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. And once again, what process did you undertake to identify documents responsive to
11 12 13 14 15 16 17	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents responsive to this request?  A We believe that they are spread throughout the various divisions, if there are any	10 11 12 13 14 15 16	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. And once again, what process did
11 12 13 14 15 16 17 18	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents responsive to this request?  A We believe that they are spread throughout the various divisions, if there are any there.	10 11 12 13 14 15 16 17	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. And once again, what process did you undertake to identify documents responsive to this request?  A Basically by pulling the four counties and then responding to or pulling anything from the
11 12 13 14 15 16 17 18 19	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents responsive to this request?  A We believe that they are spread throughout the various divisions, if there are any there.  Q And did you undertake the same search that you described, the three-step search where you looked electronically, you looked physically	10 11 12 13 14 15 16 17 18 19 20	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. And once again, what process did you undertake to identify documents responsive to this request?  A Basically by pulling the four counties and then responding to or pulling anything from the divisions in those four counties. It was
11 12 13 14 15 16 17 18 19 20 21	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents responsive to this request?  A We believe that they are spread throughout the various divisions, if there are any there.  Q And did you undertake the same search that you described, the three-step search where	10 11 12 13 14 15 16 17 18 19 20 21 22 23	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. And once again, what process did you undertake to identify documents responsive to this request?  A Basically by pulling the four counties and then responding to or pulling anything from the divisions in those four counties. It was all-inclusive.  Q Okay. To your knowledge, have any documents that were responsive been excluded
11 12 13 14 15 16 17 18 19 20 21 22	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents responsive to this request?  A We believe that they are spread throughout the various divisions, if there are any there.  Q And did you undertake the same search that you described, the three-step search where you looked electronically, you looked physically through the files, and then you talked to each division  A Yes.	10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. And once again, what process did you undertake to identify documents responsive to this request?  A Basically by pulling the four counties and then responding to or pulling anything from the divisions in those four counties. It was all-inclusive.  Q Okay. To your knowledge, have any documents that were responsive been excluded from production in regards to this request?
11 12 13 14 15 16 17 18 19 20 21 22 23	Number 29. It asks that the ODEQ produce all documents and data related to any communication with any representative of any defendant in the above-styled lawsuit. Did you identify documents responsive to this request?  A We believe that they are spread throughout the various divisions, if there are any there.  Q And did you undertake the same search that you described, the three-step search where you looked electronically, you looked physically through the files, and then you talked to each division	10 11 12 13 14 15 16 17 18 19 20 21 22 23	operations. Did you identify any documents responsive to this request?  A We have any documents that are responsive to this request are spread throughout the division boxes.  Q Okay. And once again, what process did you undertake to identify documents responsive to this request?  A Basically by pulling the four counties and then responding to or pulling anything from the divisions in those four counties. It was all-inclusive.  Q Okay. To your knowledge, have any documents that were responsive been excluded

	Page 162		Page 164
1	Q And all of the divisions were searched for	1	A It is possible we could have we could
2	documents responsive to this request, correct?	2	have complaints. We could have NOV's.
3	A That's correct.	3	Q Okay Is there any specific division in
.5 4	Q Looking at Request Number 31, which	4	the ODEQ that would that threats to the human
5	asks for all documents and data relating to any	5	health or safety based on a potential condition of
6	impact on the environment or natural resources in	6	the environment or the natural resources in the
7	the Illinois River Watershed from sources other	7	Illinois River Watershed would have jurisdiction
	than poultry or poultry-related operations. Did	8	over or, you know, would be within that division's
8	you identify any documents responsive to this	9	regulatory powers?
9		10	A Well, it would depend on the media
10	request?	11	
11	A Yes.	12	Q Meaning whether it's air or water?  A Or land
12	Q Do you have specific locations for those	•	
13	documents you believe are responsive to this	13	Q Or land Okay So each of the divisions
14	request?	14	could have information related to this particular
15	A No. They're spread throughout the	15	request?
16	division divisional boxes	16	A That's correct.
17	Q Once again, did you search throughout	17	Q And each of those divisions were polled to
18	each of the divisions for documents responsive to	18	determine whether or not
19	this request?	19	A Yes
20	A I specifically did not, but the records	20	Q there were documents responsive?
21	custodians did.	21	A Yes.
22	Q Okay. And then do you know of any	22	Q And you're saying that you believe if
23	documents that have been excluded that may be	23	there are any they would be within they could
24	responsive to this request?	24	be scattered throughout the entire production?
25	A No.	25	A Yes.

Did I read that correctly?  A Yes.  Q Is there what individuals did you speak with within the ODEQ regarding this particular request?  A I spoke with Jerry Perrin, Sara Byers, Ellen Akin, Sandra McClain, David pruitt, Barbara Rausch.  Q Did you have discussions with them separately or was that a combined  A Several meetings. Meetings.  Q Were all of you involved?	Q Okay. Request Number 35 says, "Produce all documents and data related to the dispute between the state of Oklahoma and its attorney and members of the poultry industry, including but not limited to the above lawsuit, whether created before or after the filing of the lawsuit on June 13, 2005." Did you identify any documents responsive to this request?  A Not specifically. If there are any, they would be in all of the records or, again, in the central records request produced.  Q So there's documents that you're saying could be contained in legal, and water quality division  A That is possible.  Q and the ECLS files? Do you recall any documents being specifically identified as being responsive to this request?  A No.  Q Is it your understanding that all documents and data which are which are in the possession of the ODEQ and responsive to this request have been produced?

RHONDA CRAIG

November 27, 2006

Page 172 Page 170 1 1 that may -- that may be responsive to this yes. 2 O Okay. But at this point in time you're 2 request? 3 not aware of any e-mails that have been identified 3 A Yes. 4 as responsive necessarily to these requests at this Q To your knowledge, has any been 4 5 time or have you? Let me ask it that way. Have identified as being responsive to this request? 5 you identified any e-mails that are responsive to 6 A Not to my knowledge. 6 7 the requests within --Q In your search for this information and 7 8 A To this specific request? 8 specifically those requests that ask for 9 O No. To the requests we've covered up to 9 communication and correspondence, did you this point. Let me -- strike that. Let me ask it 10 10 search the e-mail -- e-mail records of the this way. Of the documents that you have individuals in ODEQ for documents that might be 11 11 responsive to these requests or, like, e-mails that 12 identified for me from Request 1 to now, we're up 12 13 may be responsive to these requests? 13 to Request 35, you've indicated there are A Did I as the records custodian? 14 documents that have been identified as responsive 14 15 to most of these requests? 15 O Yes. A Uh-huh. A I did not. 16 16 17 O Do those documents include e-mails? O Do you know if anyone in ODEQ did 17 search e-mail servers for documents -- for e-mails 18 A From the records group? 18 19 that may be responsive to any particular requests? O No. 19 No? 20 20 A Yes, they did. Α Q E-mails from individuals within the 21 O Okay. Do you know who that individual 21 22 agency whom -- or the divisions, various divisions 22 would have been? that have been going about doing ODEQ business 23 A Individuals searched their e-mail boxes. 23 24 and that have business that may be related 24 Okay. 25 specifically to these requests? 25 And then Roy Walker with the IT group Page 173 Page 171 1 A Yes. I believe there are responsive was also -- was in charge of the electronic. 1 2 e-mails to these -- to some of these requests. 2 O Do you know which individuals were 3 Q Okay. And those have been provided in 3 tasked with searching their e-mail servers? physical format? 4 A I know what ones in my group. It was all 4 of my group. I don't know throughout the agency. 5 A That is not true, no. 5 Q And when you say your group, are you 6 Q Okay. They haven't been provided 6 7 7 referring to your administrative custodian group, I electronically, though? A That is correct. 8 mean, because you said to me -- you've indicated 8 to me that you handle custodian -- the custodian 9 Q Okay. 9 10 A It's my understanding we're not to 10 aspect of administrative responsibilities, but your duties are a little bit more expanded than that 11 provide those yet. 11 12 O Correct. So I guess what I'm asking you 12 Are you saying that this search was just limited to is you say there have been e-mails that have been 13 those individuals who handle management of the 13 identified as responsive to these requests? 14 14 documents? A That's correct. 15 A I can only tell you that those records 15 Q Are any of those -- have any of those custodians did search their e-mails. It is my 16 16 understanding that the agency is on -- is 17 e-mails been printed out and put in the 17 conducting an ongoing search. 18 production -- in the physical production that's 18 19 19 Q Okay. And then once they identify upstairs? documents that may be responsive either, like, A That is possible. 20 20 21 electronically or, I mean, obviously you can print 21 Q Okay. out an e-mail and that can make it physical. If it 22 A There are possibly e-mails in there, but 22 becomes physical, are you going to be in charge of 23 that was not a direction that I gave to that group, 23 managing those documents? 24 and so it is - I don't have knowledge of any 24 A I would -- I would believe that I would be, 25 specific e-mails in there. 25

RHONDA CRAIG

STATE OF OKLAHOMA v. TYSON FOODS

Page 176 Page 174 modeling activities, which would include all Q Okay. So from your understanding, l 1 documents and data created prior to, during or although your search has encompassed to some 2 2 3 after the completion of any report, study or extent searching e-mail, those e-mails have not all 3 project until the present. Did you identify any 4 necessarily been produced at this point in time? 4 reports or studies or projects undertaken or 5 A In hard copy. That is correct. 5 contemplated by the ODEQ with regards to the 6 6 O In hard copy or in electronic because we Lake Tenkiller TMDL modeling activity? 7 haven't -- the parties haven't come to an 7 A We believe that there are responsive 8 agreement with regards to that at this point? 8 documents in water quality division boxes 62 9 9 A That's correct. through 66. O Okay. And when the time comes for 10 10 Q Did you identify any other agency -- 1 production, will you be the individual who will be 11 11 12 mean, any other division of the agency which in charge of managing that kind of production as 12 13 would have documents responsive to this? 13 well? 14 A No. A I don't know. 14 Q And did those documents produced 15 O Okay. Let's move on to Request Number 15 include projects, studies, and reports that may 36 which asks for all documents and data related 16 16 not have been completed as of today but are in 17 17 to public, Environmental Protection Agency, process with regards to the TMDL? 18 18 and/or Peer Review comments from the March 31, A Included all documents identified, yes. 19 19 2001 TMDL modeling report by ODEQ and EPA. Q Okay. Have any documents that are Were any documents identified as responsive to 20 20 responsive to this request been excluded in 21 this request? 21 22 production? A They are, but these are -- I was told by 22 23 A No. Mark Derichsweiler that these were not sent out 23 24 O Did you identify any electronic data that for public review, but there are responsive 24 was responsive to this request? 25 documents in boxes 62 through 66 25 Page 177 Page 175 A Not at this time. O So he's indicated that he doesn't think 1 1 2 O Are there any databases within ODEQ that any of the comments were sent out for public 2 that may have information that formed the basis 3 3 review? of any report, study, or project --4 4 A Yes. A I don't know. 5 5 O Did that -- did he direct you not to 6 -- related to the TMDL? 6 produce any of those comments --0 7 A I don't know. 7 A No. Q Did you search for any databases at all --8 -- that weren't released to the public? 8 Q did you search through any of ODEQ's databases 9 9 No, he did not Α at all with regards to these specific requests like O So those have been produced if they 10 10 for the TMDL process? exist, and they would be in box 62 through 66? 11 11 12 A No. A From water quality, yes. 12 Okay. 13 Q O Do you know of any documents that may 13 I did not 14 A 14 be responsive to this request that have not been O Okay. But your custodian over the water 15 produced? 15 quality division, would they have done that? 16 16 A No. Would that have been part of their process? 17 17 Q And when you say box 62 through 66, are A Yes. 18 we talking about the water quality division? 18 19 Q Okay. A Yes. 19 A Or speaking with people in the divisions. Q All right Let's look at Request Number 20 20 That would have been part of their jobs. 21 37 which asks that the ODEQ produce all 21 O There's a couple of requests where we've 22 documents and data related to any reports, 22 been -- and I don't mean to keep backtracking, but studies issued or projects undertaken or 23 23 more specifically the ones where we were -- we had 24 24 contemplated, whether or not completed, since long drawn out lists of information, and then we'd 25 March 31, 2001 related to the Lake Tenkiller TMDL 25

RHONDA CRAIG

November 27, 2006

Page 180 Page 178 two, change detection results; number three, come up against a request that asked for studies, 1 modeling results including scenario comparisons; and reports, and data, and documents related to 2 2 four, GIS files including imagery and modeling 3 studies and reports Some of it was sludge 3 results; and, five, final report of all activities in management. Some of it was water treatment, and 4 4 phase two. Did you identify any documents within in the process of looking for documents responsive 5 5 ODEQ's files responsive to Request Number 38? 6 to this, did you identify -- do you know whether 6 A If we have any files that are responsive, 7 any databases were identified that may contain 7 they would be in electronic format, and they would 8 data that supported any study or report contained 8 be responsive to B4, GIS files. in the -- you know, physical study or report that's 9 9 Q Okay. Are you telling me that you did not 10 up there in those boxes? 10 identify within ODEQ's files this document titled A Electronic databases? 11 11 "Proposed Scope of Work for Illinois River/Lake 12 12 Q Yes. Tenkiller Project" either electronically or in 13 I don't know. 1.3 Α physical format? 14 O Who would know that? 14 15 A That's correct. A I believe it's ongoing, so at some point 15 16 O And so obviously because we haven't an Roy Walker will know. 16 agreement yet with regards to the electronic stuff, 17 O Okay. But the search is ongoing? 17 the production of what's in B4 is not upstairs for 18 Α Yes. 18 19 us? Okay. To your knowledge, was there any 19 environmental sampling that was conducted in one 20 A That's correct. 20 O Do you know whether an e-mail -- a 21 of these reports, studies, or projects on the Lake 21 review of -- let me say this a different way -- a 22 Tenkiller TMDL? Do you know whether any 22 search into e-mails, individual's e-mails was sampling that had been -- or sampling data --23 23 conducted with regards to whether any individual environmental sampling data or an environmental 24 24 within the ODEQ had received this particular 25 sampling data result that were identified 25 Page 181 Page 179 piece of work proposed scope of work for Illinois 1 responsive to this request? 1 2 River/Lake Tenkiller project? A I don't know. 2 Q Were you directed to pull from production 3 A Do I know if it was requested? 3 4 O If it was done. Yeah. any environmental sampling data or sampling data 4 A If a search was conducted? 5 reports -- result reports from documents that were 5 6 Q An e-mail search -responsive to this particular request? 6 7 Yes. A No. 7 Q -- was conducted to see if someone --8 Q Let's look at Request Number 38. 8 anyone within the ODEO had received this 9 Request Number 38 asks that all documents and 9 10 particular document? data reviewed and/or generated by Applied 10 A I don't know if this particular document Analysis, Inc., and/or Dr. Scott Stoodely of 11 11 was searched for. I know that any documents Applied Analysis, Inc., related to the, and this is 12 12 pertaining to the Illinois River were searched for in quotations, "Proposed Scope of Work for Illinois 13 13 Q And that search would have been 14 River/Lake Tenkiller Project," submitted to the 14 conducted I'm assuming then by your custodians 15 Oklahoma Attorney General's office on March 22, 15 and then also Roy -- I don't have his name here --2002 by Dr. Scott Stoodely, including but not 16 16 17 Walker? necessarily limited to the documents and data 17 A Walker That's correct which were included in the "Phase I Literature 18 18 Q But to your knowledge, none have been 19 19 Review" referred to by Dr. Stoodely in the identified with the exception of B4? proposed scope of work, and, B, any and all 20 20 21 A That's correct. deliverables by AAI and/or Dr. Scott Stoodely 21 O Has ODEQ been directed to your related to the proposed scope of the work, 22 22 knowledge not to produce any information with the including but not limited to, one, land cover 23 23 exception of what we talked about before at this 24 spatial data associated with processing of TM 24 point in time and any of the information requested 25 imagery and registered IRONOS imagery; number 25

RHONDA CRAIG

November 27, 2006

Page 184 Page 182 that was submitted to the ODEQ? in Request Number 38? 1 A I can't specifically say that they are in 2 2 A No. there. If we have them, they are in there, but if 3 Okay. Let's go to Request Number 39. 3 Q we weren't able to locate them, then they're not. I Request Number 29 asks that all documents, data 4 4 5 don't know. and/or deliverables related to the July 23, 2002 5 O But you just don't know specifically 6 draft scope of work entitled "Estimating Threshold 6 whether these documents are located in water 7 Soil Phosphorus Levels for the Illinois River Basin 7 8 quality division boxes 62 through 66? Using SWAT" submitted to the Oklahoma Attorney 8 A I don't. I know the grant files are located 9 General's office by Dr. Daniel Storm, and Mr. 9 in boxes 62 through 66. Michael J. White of Biosystems and Agricultural 10 10 O And I guess -- and this may be 11 Engineering Department at Oklahoma State 11 premature, but I'm not sure how many bites of 12 University. Did you identify any documents 12 this apple I'm going to get, so let me ask it 13 responsive to this request? 13 anyway, and that is if these documents which were 14 A I don't believe so 14 submitted to the ODEQ were not located in these Q Do you know what search was undertaken 15 15 boxes, where else within the ODEQ would they be 16 to identify documents, data or deliverables 16 located? 17 associated with this -- the work identified in 17 A I don't know. 18 Request Number 39? 18 O Do you know whether an e-mail search A Just the same process we've used. 19 19 was conducted to identify whether any individual Q Okay. And do you know whether an 20 20 had received these documents or had these e-mail search, individual e-mail, within ODEQ was 21 21 documents by e-mail? searched for, these particular documents? 22 22 A I know that the e-mail search is ongoing 23 A I believe it's ongoing. 23 24 for all responsive documents. O But at this point in time, you haven't 24 Q To your knowledge -- well, at this point 25 identified anything responsive? 25 Page 183 in time, have you been directed not to produce any 1 We have not. 1 2 documents responsive to Request Number 40? O Okay. And you haven't been directed to 2 A No exclude any documents related to Request Number 3 3 O Let's look at Request Number 41 which 4 4 39, have you? asks that ODEQ produce all documents, data 5 5 A No. 6 and/or deliverables related to the March 2005 O I'm looking at Request Number 40, 6 7 revision of Project 17, formerly Project 34, revised produce all documents, data and/or deliverables 7 8 August 2004, comma, CA Number 1-006400-05, 8 related to the August 2003 revision of Project 34, comma, FY 05/06 Section 106 Carryover work plan comma, Grant Number 1-006400-03, comma, 106 9 9 entitled "Review of Monitoring and Assessment 10 FY03 Carryover, comma, entitled "Review of 10 Data to Support Development of TMDL for Lake Monitoring and Assessment Data to Support 11 11 12 Tenkiller and Illinois River Watershed" and Development of TMDL for Lake Tenkiller and the 12 13 attached scope of work entitled "Modeling Illinois River Watershed" and attached scope of 13 Nutrients in the Illinois River Water Basin Using 14 work entitled "Modeling Nutrients in the Illinois 14 Swat" submitted to ODEQ by Daniel Storm and 15 River Water -- the Illinois River Basin Using 15 Michael White. Obviously this is a revision of the SWAT" submitted to ODEQ by Daniel Storm and 16 16 previous document we were talking about. Is your 17 17 Michael White. Did you identify documents answer the same for this with regards to your 18 responsive to this request? 18 search for these documents --A Our grant documents are located in the 19 19 A Yes. water quality files boxes 62 through 66. If we 20 20 Q -- responsive to Request Number 41? found documents responsive to this, that's where 21 21 22 Α those documents will be. 22 23 Q Is your answer the same with regards to O Okay. Including the form -- the 23 whether you've identified documents that are 24 documents themselves, these two scope of work 24 responsive to Request Number 41? 25 and the review of the monitoring and assessment 25

RHONDA CRAIG

Page 186		Page 188
Page 186	1	have located them.
1 A Yes.	1	Q Okay. I guess I'm confused as to that.
2 Q And so if you have identified them, they	2	O Okay. I guess I'm confused as to mar.
3 would be located in water quality division boxes	3	Does that mean that you know they exist, you're
4 62 through 66 in your grant files?	4	just not sure you know they exist within your
5 A That's correct, or in the electronic	5	electronic files. You just don't know where they
6 format.	6	are?
7 Q Okay. Which is an ongoing search?	7	A I was told by Jerry Perrin who was told by
8 A That's correct	8	Ilda Hershey that these are electronic files.
9 Q Okay. And, again, have you been directed	9	Q Okay. I just want to make sure you have
to exclude any of these any documents, data or	10	them ODEQ has them within their custody?
	11	A Sure.
	12	Q And the answer to that question is?
12 A No.		A I don't know.
Q Request Number 42 asks that ODEQ	13	
produce all documents, data and/or deliverables	14	Q You don't know. What will have to
related to the June 28, 2004 scope of work	15	transpire before you know with any certainty
16 entitled "Modeling Nutrients in the Illinois River	16	whether that exists electronically or not?
17 Water Basin Using Swat" submitted to the ODEQ	17	A I will have to have a meeting with Roy
by Dr. Daniel E. Storm and Mr. Michael J. White	18	Walker and Barbara Rausch, probably other
19 of Biosystems and Agricultural Engineering	19	divisions
20 Department of Oklahoma State University,	20	Q Okay. Has the search been started has
	21	the search already started for identifying that
21 including but not limited to those formal	22	deliverable that document well, those files?
deliverables listed on page 18 of 31 of that work		A Yes.
plan. First, let me ask you did you identify or find	23	
the work plan entitled "Modeling Nutrients in the	24	Q Okay. Then let's move on to the next one,
25 Illinois River Basin Using Swat"?	25	the technical memorandum documenting the
Page 187		Page 189
1 A Yes, we did.	1	results of the review and evaluation of the
	2	watershed runoff model HSPF input files, setup,
	3	and results. Have you identified that
3 located?	1	memorandum, those files and those files either
4 A That's in box 72A	4	
5 Q And that is, again, the water quality	5	electronically or in physical format?
6 division?	6	A I have not
7 A Yes. I'm sorry.	7	Q Is there a search underway to try to
8 Q Okay. So now that you've indicated that	8	identify those?
9 you identified the work plan, it's asking the	9	A Yes.
request asks for formal deliverables that are listed	10	Q And next is a technical memorandum
on page 18 of 31 of that work plan which includes	11	documenting results of review and evaluation of
the Quality Assurance Project Plan entitled "FY"	12	existing EFDC water quality model with
	13	recommendations for modifications to code. Have
	14	you identified that technical memorandum?
14 34." Did you locate that formal deliverable?	15	A No.
A We did not specifically locate that. We		
believe that if we have it, it's in the grant box 72	16	Q Is there any effort underway to identify
for water quality.	17	whether that exists within ODEQ's files?
18 Q Okay. And updated EFDC input files;	18	A Yes
	19	Q What's the process that's being used to
19 current version of EFDC source code/executable	20	identify that at this point?
current version of EFDC source code/executable		
current version of EFDC source code/executable files; updated EFDC Explorer and memorandum	21	A I don't know.
current version of EFDC source code/executable files; updated EFDC Explorer and memorandum documenting files?		
current version of EFDC source code/executable files; updated EFDC Explorer and memorandum documenting files? A Those are electronic files	21 22	Q Okay. Is this something that Roy Walker
current version of EFDC source code/executable files; updated EFDC Explorer and memorandum documenting files? A Those are electronic files Q You have identified them, though?	21 22 23	Q Okay. Is this something that Roy Walker is handling
current version of EFDC source code/executable files; updated EFDC Explorer and memorandum documenting files? A Those are electronic files	21 22	Q Okay. Is this something that Roy Walker

	Page 190		Page 192
1	A Yes.	1	Q But the search is still undergoing? They
2	Q Has a physical has a search been	2	haven't stopped searching for these documents?
3	conducted or at least physically to the extent that	3	A No.
4	it can be based on this type of information we're	4	Q Okay. Just at this time when you sit
5	looking at here?	5	here today, you have not identified it either
6	A Yes.	6	physically or electronically?
7	Q To determine whether it exists	7	A That's right.
8	physically?	8	Q Looking at the last bullet point, it's
9	A Yes.	9	training materials including model documentation,
10	Q And what were the results of that search?	10	software, and input and output files. Have any
11	A We have not identified these documents.	11	documents either in physical or electronic format
12	Q Okay. Looking at the rest of that, let's	12	been identified that are responsive to this
13	just say the next two items are both technical	13	request?
14	memorandums dealing with this particular work	14	A Not to my knowledge.
15	plan. Are your answers the same for the next two	15	Q Is a search underway to determine
16	bullets that a physical search has been	16	whether they are in ODEQ's files?
17	undertaken and there's been no physical	17	A Yes.
18	documents identified responsive to those?	18	Q Okay. We're almost done, and what I'd
19	A Yes.	19	like to do is try to get through to 46, take a brief
20	Q Okay. And that there is currently a	20	break, make sure there's no other questions, and
21	search going for those to identify these	21	then move forward, but if you need a break right
22	memorandums electronically?	22	now, I want to let you take it.
23	A Yes	23	A No. I'm okay.
24	Q But that search has not been completed	24	Q Okay. With regards to Request Number
25	yet?	25	42, is there any file, memorandum, report
	•		
1	Page 191		Page 193
	Page 191	1	•
1	A That's correct.	1	identified within Request Number 42 that ODEQ
2	A That's correct. Q So you can't tell me whether or not those,	2	identified within Request Number 42 that ODEQ you have been directed not to produce in response
2 3	A That's correct.  Q So you can't tell me whether or not those, with regards to the next two bullet points,	2 3	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request?
2 3 4	A That's correct. Q So you can't tell me whether or not those, with regards to the next two bullet points, whether those memorandums exist within ODEQ's	2 3 4	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request?  A No.

A No. Q Request Number 43, produce all documents and data relating to the conservation demonstration project conducted in the Beaty Creek sub-basin within the Eucha-Spavinaw Watershed Did you identify any documents responsive to this request?
2 3 4 5 6 7 8 9 10	A That's correct. Q So you can't tell me whether or not those, with regards to the next two bullet points, whether those memorandums exist within ODEQ's electronic files? A I cannot. Q The next bullet point is a draft technical report documenting the application of the recalibrated model to TMDL assessments and results of the re-calibration of the EFDC Tenkiller Ferry Lake model. Have you identified any	2 3 4 5 6 7 8 9 10	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request?  A No. Q Request Number 43, produce all documents and data relating to the conservation demonstration project conducted in the Beaty Creek sub-basin within the Eucha-Spavinaw Watershed Did you identify any documents responsive to this request?  A No.
2 3 4 5 6 7 8 9 10 11	A That's correct.  Q So you can't tell me whether or not those, with regards to the next two bullet points, whether those memorandums exist within ODEQ's electronic files?  A I cannot.  Q The next bullet point is a draft technical report documenting the application of the recalibrated model to TMDL assessments and results of the re-calibration of the EFDC Tenkiller Ferry Lake model. Have you identified any physical document — this document in physical	2 3 4 5 6 7 8 9 10 11	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request?  A No. Q Request Number 43, produce all documents and data relating to the conservation demonstration project conducted in the Beaty Creek sub-basin within the Eucha-Spavinaw Watershed Did you identify any documents responsive to this request?  A No. Q What divisions did you look in within
2 3 4 5 6 7 8 9 10 11 12	A That's correct.  Q So you can't tell me whether or not those, with regards to the next two bullet points, whether those memorandums exist within ODEQ's electronic files?  A I cannot.  Q The next bullet point is a draft technical report documenting the application of the recalibrated model to TMDL assessments and results of the re-calibration of the EFDC Tenkiller Ferry Lake model. Have you identified any physical document this document in physical form?	2 3 4 5 6 7 8 9 10 11 12 13	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request?  A No.  Q Request Number 43, produce all documents and data relating to the conservation demonstration project conducted in the Beaty Creek sub-basin within the Eucha-Spavinaw Watershed Did you identify any documents responsive to this request?  A No.  Q What divisions did you look in within ODEQ to try
2 3 4 5 6 7 8 9 10 11 12 13	A That's correct.  Q So you can't tell me whether or not those, with regards to the next two bullet points, whether those memorandums exist within ODEQ's electronic files?  A I cannot.  Q The next bullet point is a draft technical report documenting the application of the recalibrated model to TMDL assessments and results of the re-calibration of the EFDC Tenkiller Ferry Lake model. Have you identified any physical document this document in physical form?  A No.	2 3 4 5 6 7 8 9 10 11 12 13 14	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request?  A No.  Q Request Number 43, produce all documents and data relating to the conservation demonstration project conducted in the Beaty Creek sub-basin within the Eucha-Spavinaw Watershed Did you identify any documents responsive to this request?  A No.  Q What divisions did you look in within ODEQ to try A None.
2 3 4 5 6 7 8 9 10 11 12 13 14	A That's correct.  Q So you can't tell me whether or not those, with regards to the next two bullet points, whether those memorandums exist within ODEQ's electronic files?  A I cannot.  Q The next bullet point is a draft technical report documenting the application of the recalibrated model to TMDL assessments and results of the re-calibration of the EFDC Tenkiller Ferry Lake model. Have you identified any physical document this document in physical form?  A No.  Q Have you identified it electronically?	2 3 4 5 6 7 8 9 10 11 12 13 14 15	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request?  A No.  Q Request Number 43, produce all documents and data relating to the conservation demonstration project conducted in the Beaty Creek sub-basin within the Eucha-Spavinaw Watershed Did you identify any documents responsive to this request?  A No.  Q What divisions did you look in within ODEQ to try A None. Q Is there a particular reason?
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	A That's correct. Q So you can't tell me whether or not those, with regards to the next two bullet points, whether those memorandums exist within ODEQ's electronic files? A I cannot. Q The next bullet point is a draft technical report documenting the application of the recalibrated model to TMDL assessments and results of the re-calibration of the EFDC Tenkiller Ferry Lake model. Have you identified any physical document this document in physical form? A No. Q Have you identified it electronically? A No.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request?  A No.  Q Request Number 43, produce all documents and data relating to the conservation demonstration project conducted in the Beaty Creek sub-basin within the Eucha-Spavinaw Watershed Did you identify any documents responsive to this request?  A No.  Q What divisions did you look in within ODEQ to try  A None.  Q Is there a particular reason?  A This belongs to the Conservation
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	A That's correct. Q So you can't tell me whether or not those, with regards to the next two bullet points, whether those memorandums exist within ODEQ's electronic files? A I cannot. Q The next bullet point is a draft technical report documenting the application of the recalibrated model to TMDL assessments and results of the re-calibration of the EFDC Tenkiller Ferry Lake model. Have you identified any physical document this document in physical form? A No. Q Have you identified it electronically? A No. Q Is a search underway to identify it either	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	identified within Request Number 42 that ODEQ you have been directed not to produce in response to this request? 25

A No.

RHONDA CRAIG

November 27, 2006 Page 204 Page 202 O So is it safe to say then that all the Q Is there a search ongoing to identify 1 1 documents that have ever been created are pretty 2 whether electronic data exists that hasn't been 2 3 much still there with regards to the Illinois River produced in physical format upstairs that's 3 Watershed that are responsive to these requests? 4 responsive to Request Number 46? 4 A That we were able to locate, yes. That's 5 A Yes. 5 O Let's take about a five or so minute 6 correct 6 Q And did you have any difficulties in 7 7 break. general about locating documents which are 8 (Short break at 4:28 p.m., resumed at 8 responsive to this request, any problems? 9 9 4:43 p.m.) A No. 10 Q (BY MS. LONGWELL) I've got some 10 Q Okay. What about with regards to your 11 general questions I want to ask you. What is the 11 ongoing electronic search? Have you had any 12 ODEQ's policy concerning document retention? 12 problems there? A We have an agency disposition schedule 13 13 A Not to my knowledge. for general files. We might have some specific 14 14 Q Okay. And you said Ray, Roy or Ray 15 policies on how we keep them, but we may refer to 15 16 Walker? the state's general disposition schedule for 16 A Roy Walker. 17 program files, for the different media. We have 17 Q Roy Walker is kind of handling that guidelines that are assigned on the disposition 18 18 aspect of it? schedule that tell us the retention dates for all 19 19 A Yes. 20 documents and when the records can be destroyed 20 Q Okay. You indicated that, you know, you and that type of thing. So it depends on the 21 21 kind of directed -- you helped me kind of 22 22 program. understand what the protocol was that you 23 O When the state filed its action against 23 utilized to find documents responsive to our the defendants in June of 2005, did they direct 24 24 requests and you indicated that you -- in some you to put a hold with regards to certain 25 25 Page 205 Page 203 instances you had one-on-one conversations with 1 documents within your file based under your 1 your own individuals that work beneath you, and 2 2 document retention policy? then some instances maybe with legal, and A They did not specifically tell me to do 3 3 4 sometimes with other division members. Once you that, but as the records manager I knew that that 4 gathered all the documents and they were was -- anything in litigation is never destroyed. 5 5 identified by -- like they are upstairs where 6 6 It is held. they're identified by division and you've got box 7 Q Okay. But were you able to try to 7 numbers 1 through 72 for, like, the water quality 8 identify the breadth of that hold? I mean, how did 8 division, at that point in time, did you turn those 9 you determine what division documents you would 9 documents over to the state's counsel? 10 need to put a litigation type hold on the 10 A At the time --11 11 destruction? O Once you identified what you believed to A Any records pertaining to this lawsuit, in 12 12 be all the responsive documents responsive to our 13 other words, any regarding the Illinois River Water 13 requests, did you turn those over to the state's Basin within those counties, none of those records 14 14 15 counsel for their review? 15 could be destroyed. A They have reviewed them. I don't know 16 Q Okay. 16 that we turned them over. 17 A All records destruction requests come 17 Q Well, I just mean --18 through me as records manager, so... 18 19 A Okay Q Have any of the documents which might 19 -- they reviewed them. 20 O have been responsive to the requests that were 20 Okay, Okay, propounded by my client, Peterson Farms, did you 21 21 I know you didn't physically turn them identify any that may have been destroyed as a 22 Q 22 result of this -- you know, the agency's document 23 over. 23 retention policy and document destruction policy? 24 Α I'm sorry 24

25

But, no, that's okay. It was a poor choice

Because she's indicated that they're searching for physical if she's not involved in the search, obviously you guys are not going to put her up probably as the custodian, but I would like to continue the deposition for that limited I mean, for that purpose, for my limited purpose with regards to that, but in the event that you identify physical documents or electronic documents that she's involved in identifying  MR. NANCE: Well, under the rule, you're entitled to one seven-hour day, and this is it. So we're not going to continue this deposition. We recognize we have the duty to supplement, and as we locate additional responsive documents, we'll figure out a way to get them to you. On the electronic part, you know, I'm not handling that, but we will get you the responsive electronic material, but as far as keeping this deposition open or reconvening it, you know, you've had your day.  MS. LONGWELL: Well, and I'm just

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25	record in order to do so.  MR. NANCE: I think our positions are clear.  MS. LONGWELL: Give us one second, please.  (Short break at 4:53 p.m., resumed at 4:56 p.m.)  MS. HILL: I would just like to make a record that on behalf of Cargill, Inc., and Cargill Turkey Production, LLC, that I reserve any right to notice the deposition of the custodian of record of the ODEQ relating to Cargill, Inc.'s first request for production's first request for production of documents, Cargill Turkey Production's first request for production of documents, and any additional discovery that Cargill, Inc., or Cargill Turkey Production, LLC, may propound just for the record.  MR. BOND: And I'm going to mirror Cargill's objection, and add that that relates to Tyson Foods, Inc., Tyson Poultry, Inc., and Tyson Chicken, Inc., and Cobb-Vantress, Inc., in respect to any and all document requests or interrogatories which the state has referred back through Rule 33D. With respect to documents that are contained here at the Oklahoma	but the records that we prepared are available to all of the defendants, and you at least have evidently elected to attend in reviewing, and on behalf of Ms. Craig, she'll read and sign the deposition.  (Deposition concluded at 4:59 p.m.)  * * * * * *  B  10  11  12  13  14  15  16  17  18  19  20  21  22  23  24  25
1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25	Department of Environmental Quality, Tyson and these other Tyson entities reserve the right to issue a severance regarding the records custodian's deposition or a person at the Oklahoma Department of Environmental Quality.  MR. THOMPSON: I'm going to join in and mirror on behalf of George's, Inc., and George's Farms, Inc., and I would also like to point out that neither of those entities have served discovery at this point and would also like to reserve their right to serve up notice of a deposition in this case.  MS. BRONSON: Simmons joins in the objection, and if requests are propounded and responses are given, Simmons obviously reserves the right to schedule a deposition of the custodian that's responsible for responding to those requests.  MR. NANCE: Since everyone is reserving their rights, we'll reserve our rights as well to object at such time as any of those things is done. George's, I assume, understands it's invited to review the documents that are upstairs, and whether or not you participate in that, that's up to you, and Simmons has some requests, I think,	JURAT  STATE OF OKLAHOMA VS.
